The Oklahoma City Public Schools Foundation's mission is to advance excellence, advocate for equity, and build strong community support for Oklahoma City Public Schools.

Focus Areas and Strategic Alignment

The Foundation's focus areas are a result of partnership and alignment with OKCPS and the community. See below for our focus areas and programs/initiatives that support Oklahoma City Public Schools:

Focus #1: Provide Innovative Teacher/Classroom/School Support

DonorsChoose

- Through a partnership with DonorsChoose and with the assistance from generous community partners, the Foundation provides funding for classroom projects posted on DonorsChoose by OKCPS teachers.
- Recent studies show that having a project funded through DonorsChoose makes a teacher 22% less likely to leave in a given school year.
- Since 2014 there have been over 17,000 OKCPS projects funded totaling more than $11 million.

School Connect

The School Connect initiative launched in Fall 2023 with a phased approach that will soon be district wide. School Connect is an initiative to intentionally create a diverse network of partners that form lasting, mutually-beneficial relationships with schools. Schools and partners will focus strategically on teacher retention, student and staff attendance and learning environments including programs like Coat-a-Kid, incentives to improve attendance, teacher appreciation and more.

ReadOKC

- The Foundation leads the efforts of ReadOKC, the literacy initiative of the district to instill the love of reading in our students and community. These efforts include three primary goals:
    - **Increasing access** to reading materials through Little Libraries installed outside of every school, and through the ReadOKC On the Go! Mobile Book Bus that visits all schools and provides brand new books for students.
    - **Host Reading Challenges** during every school break and provide prizes and incentives to encourage students to read at least 20 minutes per day.
    - **Recruit volunteers to serve as Reading Buddies** to create a lasting relationship with students and help them establish a love of reading.

Focus #2: Lead Efforts to Recruit and Retain Urban-Ready Teachers and Leaders

- The Foundation, with the assistance of donors and education partners at the University of Central Oklahoma, OSU-OKC, OKC Community College and Rose State College, facilitates four programs that "Grow our Own" teachers and leaders who are bilingual and of color. The programs provide funding for tuition, fees and books for paraprofessionals, high school graduates and teachers who are bilingual or of color to become certified teachers and leaders for OKCPS. As of December 24 there are 20 graduates and 65 participants. Also in December of 2024, the first cohort of 10 graduate from our Aspiring Administrators Pipeline program, earning their MA in Educational Leadership to become administrators in OKCPS.

Focus #3: Build Advocates for OKCPS

- The Foundation builds advocates for OKCPS by forming partnerships with state and local leaders to share success stories and priorities for district-wide issues and funding needs.
- The Foundation also hosts events that bring the community awareness of the challenges, needs and successes. These events include:
    - Wall of Fame Humanitarian Awards
        - Celebrates the long, rich history of Oklahoma City Public Schools by inducting some of the city and nation's most influential business, community and artistic leaders who are OKCPS graduates into the Wall of Fame.
    - Stars of Education
        - The Stars of Education event is when the annual OKCPS District Teacher of the Year is announced and also recognizes members of the OKCPS community who demonstrate exceptional teaching, inspired service and volunteerism within the district. The Foundation provides recognition and cash awards for the Teacher of the Year and finalists, exceptional support staff within the district, and valuable volunteers and community partners who make a difference daily. Additionally, The Sam and Charolet Shirley Principal of the Year Award is presented to one Elementary and one Secondary principal who also receive a cash prize as part of this award.
    - T-Up for OKCPS
        - T-Up for OKCPS is a day for the community to show their support and solidarity for OKCPS simply by purchasing an "OKCPS Champion" (in English or Spanish) t-shirt and wearing it to celebrate Stars of Education. This campaign raises funds and awareness for the needs of Oklahoma City Public Schools by supporting the impactful work of the Oklahoma City Public Schools Foundation.

SPECIAL INSTRUCTIONAL PROGRAM DESCRIPTIONS

PROGRAM NAME	PROGRAM SUMMARY
A+ SCHOOL	This public/private partner model is a research-based school network with a mission of nurturing creativity in every learner by developing schools that encourage creativity, innovation, and critical thinking.
ACADEMIC ACHIEVEMENT (AA/MS)	Innovative coursework for middle school students designed to reinforce and enrich learning concepts in reading/language arts and math.
ADVANCED PLACEMENT	AP gives high school students a chance to do college level work and gain valuable skills and study habits for college. Students who get a "qualifying" grade on the AP Exam may receive college credit.
AVID	Advanced Via Individual Determination provides research-based strategies and curriculum designed to prepare students for success in high school, college, and a career, especially students traditionally underrepresented in higher education.
BEAUTIFUL BEGINNINGS	Beautiful Beginnings is an early childhood collaborative to assure that children are healthy and ready for 1st grade. Activities include parenting education, child development, family literacy, arts and crafts, community mobilization, and overall family support.
EL NEWCOMER ACADEMY	The academy is for students who are new to the country and with limited proficiency in English. These newcomers spend the next years simultaneously learning English and developing content proficiency on the road toward graduation.
ENHANCEMENT (HS)	Innovative coursework for high school students designed to reinforce and enrich learning concepts in reading/language arts and math.
FIRST ROBOTICS	Provides knowledge and skill to tackle problems in the core subjects of science, technology, engineering, and mathematics by gathering information, evaluating it, and presenting effective solutions. The program encourages important life skills such as teamwork, communication, and project-based organization.
GEAR UP	Discretionary grant program designed to increase the number of low-income students who are prepared to be successful in postsecondary education. Preparation and planning resources, readiness tools, and scholarship opportunities are provided.
GENERATION CITIZEN	Civics curriculum enabling students to have an understanding of how they can effect real, lasting change in their communities.
GREAT EXPECTATIONS	Great Expectations is an eclectic approach to teaching that emphasizes the behavioral component of classroom instruction.
HEAD START	Head Start is a comprehensive child development program which serves children from birth to age five, pregnant women, and their families. The goal is to increase school readiness of young children in low-income families.
HEALTHY SCHOOLS OK	This program focuses on injury prevention, cardiovascular disease prevention, cancer control, and physical fitness.

IGNITE NATION	A program that works with high schools to strengthen school culture, help students feel safe and connected, and inspire students to lead and mentor their peers
JROTC	JROTC is a high school program where military courses are given during regular school hours in addition to many out-of-classroom activities. Students learn the basics in military history, government, technology awareness, and current events. The main focus is on developing leadership skills as well as how to study, take tests, interview for jobs, and learn first aid skills
JUNIOR ACHIEVEMENT	Junior Achievement teaches students how they can impact the world around them as individuals, workers, and consumers. This program prepares students for future economic and workforce issues they will face.
JUNIOR BOTBALL	Interactive program developed to teach STEM fundamentals and help students of all levels achieve subject mastery through hands on robotic activities.
LINK CREW	A high school transition program that welcomes freshmen and makes them feel comfortable throughout the first year of high school. Mentors from the senior and junior classes guide the freshmen to discover what it takes to be successful.
PBIS	Positive Behavior Interventions and Supports (PBIS) is a proactive approach to establishing the behavioral supports and social culture needed for all students in a school to achieve social, emotional and academic success.
READY! FOR KINDERGARTEN	READY! for Kindergarten provides workshops and take-home materials and tools, to inspire and empower parents and caregivers to help babies and young children develop strong brain connections that determine how they will think, learn and grow.
