Parent/Teacher/Student Compact 2018-19

The student's education is a three-way partnership with specific goals in mind. Functioning as a team provides a powerful force that can help student s achieve the expected learning results of the school. A team requires the parents, student, and teachers assume his or her responsibilities for the growth and development of each student.

Parent/ Guardian Checklist includes:

- Require 30 minutes reading aloud with my child each day.
- Supervise daily attendance and the completion of student's homework.
- Contact the teacher when my child expresses comments about school that indicates positive interactions, skill or special need.
- Volunteer as a classroom helper (we suggest 30 min per semester)
- Attend at least two (2) school functions/assemblies
- Write in your own suggestions. (What can you do to help yourself succeed?)

Student Checklist includes:

- Become a positive thinker, confidently believing if I do my best I will succeed.
- Accept responsibility for my behavior, choices and attitude.
- Complete daily assignments and homework
- Read 30 minutes each day
- Agree to do the best I can in school
- Attend school each day.
- Write in your own suggestions

Teacher Checklist Includes:

- Provide a safe and caring learning environment
- Establish high expectations for all students
- Keep you informed of your child's progress on a regular basis
- Provide the structure and guidance so student can learn to accept responsibility for behavior, choices and attitude at school
- Provide ideas you can use at home to help your child.
- Take into account individual strengths of each student.
- Write in your own suggestions. (What can you do to help yourself succeed?)
