
What is a Family School Compact?

A Family-School Compact is a voluntary agreement co-developed by parents, students, and teachers. It identifies how parents and the school will work together to ensure all students receive the support they need to reach the state's academic standards.

An Effective Compact:

- Begins with standards;
- Focuses on student learning;
- Responds to school data;
- Defines everyone's responsibilities; and
- Depends on us to believe in it and use it!

Jointly Developed

The Southeast Middle School Leadership Team developed this compact with the consultation of parents. Meetings are held annually to review the compact and make revisions as necessary. It is then shared with all stakeholders.

Parents are welcome to contribute comments at any time.

For more information on the compact please contact the principal at (405) 587-6750

Purpose of a Family School Compact:

This compact is a three-party agreement and is a component of the Southeast Middle School Parental Involvement Policy. It outlines how parents, school staff, and students will share responsibility for improved student academic achievement.
