Students in K-2nd will receive iPads.
Students in 3rd and 4th Grade will receive Chromebooks.

The day you choose you will follow the map attached. You will provide the person assisting you your students name(s) and they will retrieve your device(s) and then you will sign the student/parent user agreement and you will be finished. There may be long lines at times so there are several times provided if you do need to come back at a different time.

We look forward to seeing everyone and to kick off this great year!
How will my student access their work and meet with their teacher?

- Students will access their work and links to their teachers through CLEVER.
  a. Clever is accessed from the STUDENT TOOLS tab on OKCPS website.
  b. Students will be provided with their clever log-in on the day they pick up their devices.
  c. Once in Clever they will click the icon for CANVAS. Canvas is our district’s instructional management system. This is where all their classes will be and how they can communicate with their teachers and find their work.
