

WELCOME BACK!

RETURN TO SCHOOL TRANSITION

Is your student ready to return to school?

Who do I contact?

- If your student is returning to OKCPS, please contact the EES Transition Coordinator at (405) 587-0136.
- If your student is returning to another school district, notify their home school.

What happens next?

A transition meeting between the parent/guardian(s), the student, and the school team can be helpful for the development of a plan for successful re-entry.

"Your LIFE
is a story of
TRANSITION.
You are
always leaving
one chapter
BEHIND
while
MOVING ON
to the next."
