STUDENTS

STUDENT RIGHTS & RESPONSIBILITIES

Every student has the right to conditions favorable to learning. Students have the right to pursue an education free from discrimination based on race, color, national origin, sex, disability, age, religion, sexual orientation, gender identity or expression, genetic information, alienage, or veteran, parental, family and marital status or for any other reason. Students in the District enjoy freedom of speech, expression and association; the right to privacy; the right of freedom from harassment; the right to due process in judicial matters; and the right to appeal judgments and penalties for alleged misconduct.

Students have the responsibility to conduct themselves, both individually and in groups, in a manner which ensures an atmosphere conducive to teaching, studying, and learning. Students are expected to uphold academic and personal integrity, to respect the rights of others, to refrain from disruptive, threatening, intimidating, or harassing behavior, or behavior that is harmful to themselves, other persons, or property. Students have a responsibility to abide by the standards, policies, regulations, and the Student Code of Conduct of OKCPS.

SAFETY FOR STUDENTS

SAFETY GUIDELINES

Safety awareness and the prevention of accidents are important goals of each school. a few tips to help keep students safe:

- Students should not arrive at school until supervision is available.
 - Elementary - 20 minutes before the first school bell.

- Secondary - 35 minutes before the first school bell.
- Walk on sidewalks. If there is no sidewalk, walk on the left side of the road facing oncoming traffic.
- Cross only at intersections where crossing guards, stop signs, or traffic signals are present.
- Do not approach or enter strange automobiles. Invitations to do so should be reported immediately at home and at school.
- Be considerate of smaller children.
- Remain on the school grounds while school is in session.
- Do not attempt to run or walk across busy streets and highways.

CROSSING GUARDS

They are stationed at hazardous intersections as assigned by the Oklahoma City Traffic Control Division and the Oklahoma City Police Department. Crossing guards are normally on duty 30 minutes before and after school. Parents are asked to stress the importance of cooperating with the school safety crossing guards. Call 297-1142 for more information.

EMERGENCY CARE

Please partner with us to be certain the school is able to contact parents whenever students become ill or suffer an accident. Contact the school office any time phone numbers change. The school should have at least four numbers of persons to contact in case of emergencies. While the nurse or designated person will provide immediate first aid, the next step is to contact the parent. EMSA or other emergency medical services may be called if immediate medical attention is needed. Expenses for emergency care will be directed to the parents.

EMERGENCY DRILLS

Each school site will practice emergency drills regularly including Fire Evacuation Drills, Inclement Weather Drills, and several types of Security Drills, including armed intruder and lockdown. OKCPS exceeds the number of practice drills required by federal and state standards.

EMERGENCY RESPONSE & CRISIS MANAGEMENT

The district works with the Office of Emergency Management to develop each school's Emergency Operations Plan. In case of the need to evacuate a school campus, your student will be taken to an alternate location. Listen for phone call messages for information and parent instructions.

PHYSICAL CONTACT

In certain situations, school employees may make necessary body contact with students in incidences such as: administering first aid, breaking up fights, protecting themselves from physical attacks, addressing emergencies, developing physical skills through coaching, employing passive restraint to behaviorally disruptive students to protect them and others from harm, and other actions deemed necessary to gain control of a situation.

REPORTING SAFETY CONCERNS & THREATS

The Threat Assessment, Incident Management and Prevention Services (TIPS) reporting system allows for reports to be made by students, parents, teachers, neighbors and anyone concerned about the safety of our local schools. Reports can be made confidentially, and anonymously, any time you know of activity threatening you, another student, or your school by calling 587-STOP - TIPS Hotline or

completing an online form from www.okcps.org Families tab. School and district personnel are notified immediately when your incident is submitted and your case will be investigated and appropriate action taken.

Examples of threats that could be reported through TIPS include instances of Assault, Bullying, Bus Incident, Cyber-bullying, Drugs/Alcohol, Parent Complaint, Possession of Weapons, School Vandalism, Self Harm or Suicidal Ideation, Student Assistance Referral, Suspected Abuse/Safety Concern, Suspension Appeal, Threats of Violence and Truancy.

BICYCLE RULES

Students in grades 3-12 may ride bicycles to and from school but may not ride bikes on the school campus. When students arrive at school, they walk bicycles to the designated parking area and lock the bicycles to prevent theft. Bicycles remain parked until school is dismissed for the day and students walk bicycles are off school grounds. Bicycle safety includes following traffic laws and maintaining bicycle equipment. The school and district are not responsible for replacement of lost, stolen, or damaged bicycles.

BULLYING, HARASSMENT, & DISCRIMINATION

District policy prohibits and does not tolerate bullying, harassment, or discrimination based on race, color, national origin, sex, disability, age, religion, sexual orientation, genetic information, alienage, veteran, parental, family and marital status or for any other reason. Bullying fosters a climate of fear and disrespect that can seriously impair the physical and psychological health of its victims and create conditions that negatively affect learning, thereby undermining the ability of students to

achieve their full potential. Behaviors that place another student or group of students in fear of harm, or insult or demean any student or group of students will not be permitted. Bullying behaviors are prohibited on school premises, at school-sponsored or related activities, events or functions, or anywhere that students are under the supervision of school personnel.

Bullying is not considered normal conflict. Normal conflict occurs between students with equal power. Normal conflict happens occasionally, may be accidental, is not serious, results in an equal emotional reaction, student(s) are not seeking power or attention, student(s) are not trying to get something, student(s) usually show remorse and take responsibility, and student(s) make an effort to solve their conflict. Bullying is defined as intentional, repeated hurtful acts, where an imbalance of power is present. The perpetrator may be attempting to gain power, material things, or gain popularity. Bullying may include, but is not limited to words or other behavior, such as name calling, threatening and/or shunning, starting rumors, and may be committed by one or more children against another. Bullying may be physical, verbal, emotional, social, sexual, or by electronic communication.

- Physical bullying includes, but is not limited to, punching, poking, strangling, hair pulling, beating, biting and excessive tickling.
- Verbal bullying includes, but is not limited to, hurtful name calling, teasing and gossiping.
- Emotional bullying includes, but is not limited to, rejecting, terrorizing, extorting, defaming, humiliating,

blackmailing, rating/ranking of personal characteristics such as race, disability, ethnicity, manipulating friendships, isolating, ostracizing and peer pressure.

- Social bullying includes harm to another's group acceptance, including but not limited to, harm resulting from intentional gossiping about another student or intentionally spreading negative rumors about another student that result in the victim being excluded from a school activity or student group.
- Cyberbullying includes, but is not limited to, any written, verbal or pictorial information by means of an electronic device such as a telephone, a cell telephone or wireless telecommunication device or computer. Electronic communications include, but may not be limited to, communications made through social media, email, or other online forums.
- Sexual bullying includes any unwelcome sexual advances, but is not limited to, sexual exhibitionism (attracting attention to yourself), voyeurism (seeing, talking, or writing about intimacy considered to be private), sexual propositioning, sexual harassment, physical contact, and sexual assault. Sexual advances may include, but are not limited to requests for sexual acts or favors, with or without accompanying promises, threats or reciprocal favors or actions, or other verbal or physical conduct of a sexual nature including, but not limited to: lewd or sexually suggestive comments, off-color language or jokes of a sexual nature, gestures, slurs and

other verbal, graphic or physical conduct relating to an individual's sex; or any display of sexually explicit pictures, greeting cards, articles, books, magazines, photos, cartoons, or electronic communication devices which adversely affect a student's performance. Victims shall be referred to the school counselor or principal. Perpetrators may be reported to the police.

Any student or groups of students, who have been the victim of discriminatory harassment based on race, color, national origin, sex, disability, age, religion, sexual orientation, gender identity or expression, genetic information, alienage, veteran, parental, family and marital status or for any other reason, must immediately report the incident to a district administrator or the district's safe schools hotline at 587-STOP. If the incident is not resolved at the building level, the student may file a discrimination complaint with:

EXECUTIVE DIRECTOR OF STUDENT SUPPORT SERVICES

Brandon Carey

SCHOOL VISITORS

All visitors report directly to the office when they arrive on school grounds and may be required to identify themselves before entering the building and interacting with children. Upon clearance, each person will receive a visitor's badge to be worn in a manner that is visible while on school property. Visitors who are not authorized to be on school property on a daily basis, including students suspended from school and students from other campuses, are

trespassing unless they have been cleared through the office.

STUDENT INSURANCE

Parents are responsible for providing students with health or accident insurance. The Oklahoma City Public School District does not provide student insurance.

STUDENT PICK-UP & EARLY RELEASE

Students are released during school hours only to authorized persons. The custodial parent/guardian must notify the school of restrictions related to the release of a child and provide supporting documentation when appropriate. Photo identification is required for release. Early pick up of students is reserved for emergencies and occasional doctor appointments. Early pick up on a daily basis is not permitted. Students may not be checked out during a school wide lockdown.

STUDENT WELFARE - CHILD ABUSE & NEGLECT

If you believe a child is being abused or neglected, you have a legal responsibility to report it to the Oklahoma Department of Human Services. Reports can be made at any time, 24 hours a day and 7 days a week, to:

OKDHS Abuse & Neglect Hotline
1-800-522-3511

SCHOOL ATTENDANCE

ABSENCES

In order for students to realize their fullest potential from education, every effort is needed from them to attend all classes. Parents, please contact the school, preferably by 10 a.m., to verify the reason for a student absence.

The District policy requires students to be in attendance for at least 88 percent of school days in order to receive credit for courses in which the student is enrolled and completes with a passing grade. For example, for a semester of 90 days, to be present at least 88 percent of the school days, the student could not miss more than 10 days of school. As allowed by law, students may also receive credit for any courses in which they have grades of 90 percent or higher.

- Excused absences include illness or injury; doctor or dental appointments; bereavement; serious illness or emergency in immediate family; and school bus not running. Submit documentation to the school office to support absence being excused.
- Unexcused absences include trips out of town, traffic issues, car trouble, waking up late, etc.
- When student absences are due to extended or repeated illness, parent may need to meet with the school nurse and/or other school personnel to provide documentation to excuse the absences, to determine possible causes, and to explore the need for remedial health and/or educational programs for the students, including 504 education plan, homebound instruction, or other interventions deemed appropriate.

ACTIVITY ABSENCES

A maximum of 10 days of activity absences per semester from a class for school activities are permitted. Students may choose not to take part in an activity when they feel the number of activity absences will be excessive. Students will not be reprimanded or punished for missing the activity. Schools closely monitor activity absences to maintain compliance with

Oklahoma Secondary School Activities Association (OSSAA).

CLASS MAKE-UP WORK POLICY

Work (including tests) missed due to an excused absence will be made up and credit given for such work. A student will not be penalized for the teacher's absence. It is the student's responsibility to ask the teacher for make-up work. Class work missed due to an absence must be made up within five days of the student's return to class, although additional time may be granted by the principal due to extenuating circumstances. Non Completion of class work will result in the assignment of a "no grade" until the work is completed.

TARDIES & ABSENCES

Students are to be in class on time. Students who enter the classroom after the official start time of class are counted tardy in the attendance record. Elementary students who are one or more hours late or picked up one or more hours early are counted absent for ½ day.

Secondary students who enter any class more than 15 minutes later are absent for the period. Three tardies DO NOT equal one absence for truancy purposes, but can still indicate a need for intervention because of the potential for adverse effects on a student education.

TRUANCY

Oklahoma school law holds the parent responsible for a student's attendance in school. A student is considered truant when absent from the classroom without the consent of the school or the parent.

When a student between the ages of 5-17 has

five or more full-day unexcused absences within a semester, the attendance office will inform the parents that they are not in compliance with state attendance laws and notify the Oklahoma City Police Department the parent is eligible for a charge related to the absences. The charge is a misdemeanor child neglect charge. Fines range from \$500 to \$1,200 and/or 30-60 days in jail.

In addition, students between the ages of 12 and 17 may also be cited by Oklahoma City police officers for non-attendance in compliance with Oklahoma City municipal ordinances. The first conviction carries a fine of \$50, the second is a fine of \$100, and the third and additional convictions are \$150 each. For additional ordinance information, visit the [OKC municipal code website](#).

For more information, contact the Student Support Services Truancy office at 587-0028.

DRESS CODE AND PERSONAL APPEARANCE

SCHOOL UNIFORMS

All OKCPS students wear school uniforms in order to:

- promote an orderly and safe learning environment
- eliminate distractions and increase the focus on instruction
- minimize socio-economic differences
- encourage the practice of professional and responsible dress.

An [OKCPS School Uniform Color Chart](#) which lists the schools and their designated uniform colors is available on the district website.

Students have the right to choose their own

grooming and clothing styles subject to the requirements of this policy. This policy does not apply to sites where the District contracts to provide extended educational services or for which District personnel are not directly responsible for management of the facility.

Generally, students should regard neatness and cleanliness in grooming and clothing as important. Personal dress or grooming perceived to disturb the operation of the school will be addressed by school personnel.

Principals, in conjunction with sponsors, coaches, or other persons in charge of extracurricular activities, may regulate dress and grooming of student participants if the principal reasonably believes that the student's dress or grooming creates a hazard, or may prevent, interfere with, or adversely affect the purpose, direction, or effort required for the activity. Exceptions to the student uniform may be made to meet needs of specific classes such as extracurricular activities. Additionally, principals may designate days when the student uniform does not apply.

No student will be penalized for failing to wear the school uniform due to financial hardship. The student or parent will share with a trusted school adult if obtaining the required uniform presents a financial burden. Each school seeks to assist students experiencing financial hardship in meeting uniform requirements. Assistance may be in various forms: recycle uniforms through trade or resell through a student or parent organization as a fund raising project, accept donations of clothing or financial assistance from the community, businesses, PTA, and other supporters, operate a clothing closet of available uniforms, or

provide coupons for stores that sell or provide clothing meeting the uniform policy.

Students enrolling in OKCPS for the first time during the school year are granted a grace period up to 20 school days before being required to comply with the uniform. Students refusing to follow the uniform policy may be subject to consequences noted in the District's Student Code of Conduct.

These guidelines apply to all students in District schools when they are at school or school-sponsored events:

PANTS, SLACKS, SKIRTS, SHORTS, & DRESSES

- Selected from khaki and school-designated colors.
- Fastened at waist, except for dresses. Sagging or "low rise" clothing is inappropriate for school.
- White, black, or navy leggings may be worn under skirts, skorts, or dresses.
- Hemlines must be of modest length at or below the student's fingertip with arm fully extended.

SHIRTS

- Selected from white and school-designated colors.
- Long or short-sleeved with or without collars as designated by school.
- Free of visible logos, labels, words, or pictures other than approved school logos or names.
- Shoulder straps of at least two student fingers wide.

- Free of visible logos, labels, words, or pictures other than approved school logos or names.
- Coats may not be worn inside the building during school unless the principal makes an exception if the school is unusually cold. but shall be worn to school and placed in the student's locker or hung in the student's classroom or another location designated by the principal.

HATS, JEWELRY & ACCESSORIES

- Caps, hats, or head coverings including scarves, bandanas, and sweatbands are not worn in school building. Exceptions include a head covering associated with student's religious beliefs, for medical reasons, or as approved by school administration for a special school activity.
- Jewelry and accessories which pose a safety concern for the student or others are prohibited.
- Student belts must be solid color with a plain belt buckle and worn in the belt loops.

Once a school has selected the colors for the school's uniform, colors may not be changed for three years. After three years, a school may recommend to the Board of Education the colors be changed provided the school has

given parents the opportunity to vote on the proposed changes and at least 50% of voting parents agreed with the proposed change. Each school family will have one vote, regardless of the number of students attending the school. Board-approved color changes go into effect at the beginning of the next school year.

SAFE SCHOOLS ENVIRONMENTS

DRUG-FREE & TOBACCO-FREE SCHOOLS

The district drug- and tobacco-free schools policy states all persons on school property will be violating district policy if they use, transmit or are under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana or any other controlled substance or any non-intoxicating alcoholic beverage (such as low point beer); fortified wine or other intoxicating liquor; or transmit drug paraphernalia or counterfeit drugs; or possess, use, transmit or are under the influence of any other chemicals or products, including synthetic drugs and controlled drugs for which the person does not have a prescription. This policy applies before, during, and after school hours, in any school building, on the premises, in a school vehicle, at a school-sponsored event or function, or during any period of time when students are subject to the authority of school personnel.

GUN-FREE SCHOOLS

Any student in this school district who uses or possesses a firearm at school, at any school-sponsored event, or in or upon any school property, including school transportation or school-sponsored transportation, may be removed from school for at least one full calendar year. Firearms are defined in Title 18 U.S.C., Section 921 as:

- Any weapon (including a starter gun) which will, is designed to, or may readily be converted to expel a projectile by the action of an explosive;
- The frame or receiver of any such weapon;
- Any firearm muffler or firearm silencer; or
- Any destructive device, including any explosive, incendiary or poison gas, bomb, grenade, or rocket, having a propellant charge of more than four ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine or any device similar to the above.

All firearms or weapons will be confiscated and released only to proper legal authorities. For safety purposes, surveillance video or audio equipment may be used to monitor student behavior at school, on buses and in common areas on campus and at school activities.

Students with disabilities are subject to this policy and will be disciplined in accordance with the Individuals with Disabilities Act (IDEA) or Section 504 of the Rehabilitation Act.

LASER PENS & POINTERS

Due to the potential for the disruption of the school environment and the risk of permanent eye damage, student use or possession of laser pens while on district property, while attending a district-sponsored activity on or off district property, or while traveling to or from any school is prohibited.

MINIMIZING SCHOOL EFFECTS OF OFF-CAMPUS CONDUCT

Disciplinary action may be assigned for conduct occurring off campus and not involving a school

activity if the student's continued attendance related to misconduct has an adverse impact upon the school. Please review district policies for more details.

PLEDGE OF ALLEGIANCE

Students in all public schools are authorized to recite, at the beginning of each school day, the pledge of allegiance to the flag of the United States of America and Oklahoma pledge.

Patriotic exercises such as these may also be conducted during programs and assemblies throughout the school year. Students have the right not to participate, but nonparticipating students are expected to remain silent and respect the rights of others during the ceremony.

Students have the right to assemble lawfully and present petitions to the administration. In exercising their rights, students are expected to avoid interrupting the educational process or causing an unsafe environment for other students. The collection of signatures is only permitted before school, during lunch, and after school.

SCHOOL PROPERTY

Students are responsible for the proper use and care of school property such as textbooks, library books, desks, uniforms, and equipment. The parent of a student is responsible for the replacement or repair of damaged school property when it is determined that the damage was committed by the student as a result of the student's negligence. School officials may conduct regular or random searches of lockers and their contents at any time for reasons of health or safety.

STUDENT-DRIVEN VEHICLES

For high school students to have the privilege of

driving cars and motorcycles to school, they may be required to have parent signature and provide a copy of student driver's license and proof of insurance. Students may also be asked to display a parking sticker on the vehicle at all times. Students are responsible for knowing and following rules and regulations. Failure to follow rules or regulations could result in loss of the privilege to park a vehicle at school. The school has the authority to conduct routine patrols. When school authority has a reasonable suspicion that illegal or unauthorized materials may be in the vehicle, the school may also inspect the interior of student-driven vehicles parked on school property. Patrols and inspections may be conducted at any time without notice, consent or a search warrant. Middle school students are not permitted to drive motor vehicles to school.

DUE PROCESS

Due process is provided to students when they are involved in a discipline incident and before assignment of disciplinary consequences. Due process includes:

- Teacher or administrator conversation with student immediately following the misconduct.
- Student given the opportunity to write or tell his or her version of events.
- Teacher or administrator providing written notice of the misconduct the student is accused of committing.

If parents and students are not satisfied with the results of the evidentiary hearing held for a suspension of more than 10 days, they have the right to appeal suspensions with a district-level hearing panel. The appeal may be made by phone at 587-STOP.

ACADEMICS

STUDENT EVALUATION

OKCPS provides an instructional program which enables all students to learn. High priority is given to learning experiences which serve as a foundation for a child's total educational development (reading, writing, computing, etc.), as well as the stimulation of intellectual curiosity, critical thinking, problem solving abilities and aesthetic appreciation.

The Board believes that grades and grading practices should be administered in a fair, equitable and consistent manner. The evaluation of student progress is based upon skill mastery. Each discipline is represented by instructional objectives described in a curriculum outline.

Student evaluations and grades are based on daily classroom performance, homework, classroom tests, assessments of Oklahoma Academic Standards, attendance and other required activities and projects. The district rounds all students' grades to the nearest full numerical grade value. Students who do not meet course standards receive "NG" (No Grade), "NC" (No Credit), or "I" (Incomplete) until all requirements are met, preferably by the end of the subsequent quarter.

Students only receive credit for a high school courses they complete with a passing grade. Students who do not satisfactorily complete a course do not receive credit. Parents are to receive formal notification when their child does not meet requirements to receive a passing grade. Such notification should be sent no later than two weeks before the grading period ends.

PARENT & STUDENT ACCESS TO GRADES & INFORMATION

For the 2017 school year, the Infinite Campus Parent Portal will provide parents and students online access to information about student's grades. OKCPS will notify parents with instructions to activate your account.

GRADING SYSTEMS

For further questions regarding student grading, promotion, or retention, contact your school or the PK-12 Office, 587-0049.

PRE-KINDERGARTEN

A conference skills checklist is used to indicate progress made by pre-kindergarten students. The checklist is based on state and national standards and is used to measure progress and mastery of Oklahoma Academic Standards.

Graduation Requirements

Graduation requirements vary according to the year students entered high school as freshmen. For example, the class of 2018 entered high school in 2014-2015. If students need to return to complete graduation requirements after their classes graduate, their graduation requirements will remain the same.

Graduation requirements also vary according to the type of diploma students seek to earn. Three types of diplomas are available for students:

- **College Preparatory/Work Ready** - All students are scheduled to complete this diploma by default because it offers the best preparation for students to meet the demands of college or other postsecondary education program or

the workforce.

- **Core Curriculum** - If students prefer to earn this diploma, parents must formally sign their students out of the College Preparatory/Work ready option.
- **Certificate of Distinction** - To earn this honor diploma, students must earn a minimum grade point of 3.25 on a 4-point scale as well as complete additional core curriculum area

requirements plus 4 semesters of a World Language.

HIGH SCHOOL CREDIT SYSTEM, GRADES 9-12

Students earn credits at the high school level.

Students will earn a grade of A, B, C, D or F

depending on the level of demonstrated

competency for courses that meet a minimum

of 65 hours during the semester. Students are

classified as Freshmen, Sophomores, Juniors or Seniors based on the number of credits earned.

Minimum credits required for each classification:

- Grade 10-Sophomore 4 units (8 credits)
- Grade 11-Junior 10 units (20 credits)
- Grade 12-Senior 16 units (32 credits)

REGULAR & BLOCK EIGHT SCHEDULING

Classen School of Advanced Studies and Northeast Academy for Health Sciences and Engineering follow the BLOCK EIGHT scheduling system which requires students to take eight academic courses per semester. Students study subjects in 80- to 90-minute classroom periods and can earn 8 units (16 credits) per year. All other OKCPS high schools schedule school days of seven 45-minute periods per day. Students can earn 7 units (14 credits) per year. A minimum of 23 units (46 credits) is required to graduate from high school.

ACADEMIC COMPETITIONS

District students participate in a variety of academic competitions that help develop creativity, teamwork, critical thinking, and competitive spirit. For information about these competitions, contact your school's principal.

PROFICIENCY TESTING

Students can move forward by subject, course or grade level based upon mastery of the Oklahoma Academic Standards with a score at least 90 percent on the proficiency test. Grade level tests are available for grades 1-8. Course tests are available for grades 9-12. Interested students are asked to contact the school principal for more information, or call the Planning, Research & Evaluation at 587-1423.

GIFTED & TALENTED PROGRAM

The Gifted and Talented Education Plan (GATE) of Oklahoma City Public Schools (OKCPS) is an integral part of our commitment to provide for the unique needs, interests, skills, and talents of all students. The GATE program will contribute to each student developing creative and critical thinking, leadership, visual and performing arts, and/or specific academic abilities. GATE is intended to enhance and enrich experiences in the regular classroom, as well as allow for an expansion of the existing curriculum.

DESIRED GOALS:

- To develop critical thinking skills;
- To develop problem-solving skills;
- To develop oral and written communications skills;
- To encourage and recognize creativity;

PROMOTION & RETENTION CRITERIA FOR STUDENTS GRADES K-12

Students who demonstrate academic competence will be considered eligible for promotion to the next higher level by following district guidelines and state laws. Academic competency is indicated based on criterion referenced test results, teacher observation, course grades, and attendance in grades K-6. Students who miss more than 10 days of instruction with unexcused absences per semester increase their potential to be recommended for retention.

Lack of English proficiency cannot be a reason for retention and English language learners, including pre-k and kindergarten students, who have had fewer than two complete years of instruction in English may not be retained in any grade.

READING SUFFICIENCY ACT

The Reading Sufficiency Act can be divided into four main sections:

1. Early Identification of Reading Difficulties
2. Clear, Consistent Parent Communication
3. Increased Time and Improved Literacy

Instruction

4. Student Qualification for Promotion into Fourth Grade

1. Early Identification of Reading Difficulties

The Reading Sufficiency Act serves to ensure that all students are assessed, beginning in kindergarten, to determine their current level of proficiency in the basic areas of reading.

In OKCPS, all elementary students are screened in August, December, and May to determine current levels of proficiency and future levels of risk. In addition to providing this screener three times per year, OKCPS teachers utilize progress monitoring throughout the year to determine the extent to which instruction and intervention are meeting the student's needs.

2. Clear, Consistent Parent Communication

The Reading Sufficiency Act places great attention on parent communication:

- Every student who is determined to be reading below grade-level based on screening results will be provided with an Academic Progress Plan (APP). This plan is specifically designed for each individual student. It indicates the student's most recent academic data, the instructional supports provided by the school, and the supports requested to be provided at home. Parents and teachers will review this plan together at least twice a year at Parent/Teacher Conferences.
- Every student's APP will be included in the student's RSA folder. Student work samples will be maintained by the student's classroom teacher in a class filing system (i.e. folders, scanned docs into Google

Drive). The folder will include the APP, graphs and detailed reports from district screeners and benchmark assessments. Also included are the student's writing samples and tutoring attendance records.

3. Increased Time and Improved Literacy Instruction

The Reading Sufficiency Act requires that specific amounts of time be reserved every day for literacy instruction. Every student in grades K-6 receives 90 minutes of core reading instruction. During this time, instruction is designed to help students master the reading skills required for their grade level.

In addition to the 90 minutes of core instruction, students who are reading below grade-level receive an additional, targeted intervention. This extra support is designed to fill gaps in students' understanding of the reading process.

4. Student Qualification for Promotion into Fourth Grade:

To ensure that all students are reading on grade level at the end of third grade, the Reading Sufficiency Act requires that all Oklahoma students qualify for promotion into 4th grade. The effective implementation of the first three RSA requirements (listed above), beginning in Kindergarten, significantly reduces the possible need for remediation in middle and high school and lowers the risk of a student dropping out of school because he/she is unable to read.

There are four methods by which students may qualify for promotion into fourth grade. Each method is described in the following section:

1. Proficiency Demonstrated through a Reading Screener: Any first, second or third grade student who demonstrates proficiency in reading at the third-grade level through a screening instrument approved by the Oklahoma State Department of Education qualifies for promotion to fourth grade. Score of Limited Knowledge (or higher) on the Reading Comprehension and Vocabulary portion of the Oklahoma State Testing Program (OTSP): A student who scores at the “limited knowledge” level or higher on the Reading Comprehension and Vocabulary portion of the OSTP qualifies for promotion to the fourth grade.
2. Good-Cause Exemption: Some third graders who do not meet the promotion requirements listed above may qualify for a good-cause exemption and may be promoted to fourth grade Good-Cause exemptions for promotion are limited to the following:
 - Limited-English-proficient students who have had less than two years of instruction in an English language learner program
 - Students with disabilities whose Individualized Education Plan (IEP) states that the student is to be assessed with alternate achievement standards through OAAP
 - Students who demonstrate an acceptable level of performance (minimum of 45th percentile) on an alternative standardized reading assessment approved by the State Department of Education
 - Students who demonstrate through a student portfolio, mastery (beyond the retention level) of the third grade state standards for reading and evidence of reading on grade level or higher
 - Students with disabilities who take the OSTP and who have an Individualized Education Plan (IEP); who have received intensive remediation in reading for more than two years and were previously retained or in a transitional grade during prekindergarten, kindergarten, first, second, or third grade
3. Conference-Based Promotion: A student not otherwise qualified for promotion may be evaluated for “probationary promotion” by the Academic Team. The student’s Academic Team is composed of:
 - Students who have received intensive remediation in reading through a program of reading instruction for two or more years and who were previously retained or in a transitional class during prekindergarten, kindergarten, first, second, or third grade for a total of two years
 - Students who have been granted an exemption for medical emergencies by the State Department of Education.
 - the student’s parent(s) and/or guardian(s)
 - the student’s primary reading teacher
 - a teacher in reading who teaches in the subsequent grade level
 - a certified reading specialist, if one is available

The student will be promoted to fourth grade only if the Academic Team members unanimously recommend “probationary promotion.” If a student is approved for “probationary promotion,” the team will continue to review the reading performance of the student and determine grade-level placement each academic year until the student demonstrates grade-level reading proficiency for their current grade.

The complete law and requirements are

ACCEPTABLE USE POLICY (AUP)

STUDENT COMPUTER & NETWORK ACCESS WIRELESS DEVICES

Computer and Network access is a privilege provided for District students and staff for the sole purpose of facilitating resource sharing and communication. Students are to only use these services for legitimate educational purposes under the supervision of school personnel. Students are provided login information with an individual user name or ID and password that is computer generated to access the computer and network. Students are to never share their login information with anyone. Students are required to logout when finished accessing the network.

The District is not responsible for the misuse of online services. Such misuse includes, but is not limited to; obtaining inappropriate or sexually explicit material, illegal copying or installation

of software, using another's password, producing, copying, or attempting to introduce any computer code designed to self-replicate, damage, or destroy a computer's memory, cause a virus, or otherwise hinder computer performance. Students found guilty of such behaviors are subject to the loss of computer privileges and action as stated in the Student Code of Conduct guidelines. It will not be a defense to any disciplinary consequence for a student to say someone else used their account, or the student forgot to logout.

For reasons of health and safety, school staff may periodically monitor each student's use of the network resources to insure that the system is being used in accordance with district policy. Students who lose their individual computer or network privilege will still be required to complete any district or state online testing. Please contact your school's office or the district technology IT Services helpdesk at 587-4357 with further questions.

Students may possess a wireless telecommunications device while on school premises, or while in transit under the authority of the school, or while attending any function sponsored or authorized by the school. Use of such wireless communication devices by students during the instructional day for educational purposes only is at the teacher's discretion. The instructional day shall be defined as including all times when classes are being conducted and during passing times. Wireless telecommunication devices include, but are not limited to, cellular and digital telephones, two-way radios, personal digital assistants, and smartphones. Wireless telecommunication devices do not include amplification systems utilized in classrooms or

in school buildings.

Students found to be using any electronic communications device for any illegal purpose, cyberbullying, threatening others, violating privacy, or to in any way send or receive personal messages, data, or information that would contribute to or constitute cheating on tests or exams shall be subject to discipline and the device shall be confiscated and will be returned to the parent during a parent conference. Students violating this rule will be disallowed from carrying a personal communication device following the incident unless a bona fide health emergency exists. Where appropriate, police authorities may be contacted. OKCPS is not responsible for personal wireless telecommunication devices.

1. INTRODUCTION

Computer network resources, provided by the Oklahoma City Public Schools, enable communication with electronic communities around the world. These computer network resources include Internet, e-mail, the student enterprise system, and the business enterprise systems. The use of these electronic resources shall be consistent with the purpose, mission, and goals of the Oklahoma City Public Schools and used only for the educational and professional purposes. The purpose in providing these services is to facilitate access to information and resources, promote educational excellence, and enhance communication between schools, offices, regional education service centers, and other worldwide educational entities.

The Internet is a network connecting thousands of computers throughout the world. The Internet can bring a wealth of educational

material to the classroom, but may also contain material that is objectionable. The Oklahoma City Public Schools filters web sites, chat rooms, instant messengers, and some emails believed to be inappropriate for students, teachers, administrators and staff. However, no filtering system is perfect. The District cannot and does not represent that inappropriate or objectionable material can be completely filtered. Parent(s) and guardian(s) must consider this in deciding whether to permit their children access to the District's computer network resources. This Acceptable Use Policy (AUP) is provided so that staff, students, and members of the community using the District's computer network resources are aware of their responsibilities. The use of these network resources is a privilege, not a right. Any violation of these policies will result in the loss of network privileges as well as possible disciplinary action.

2. ACCESS TO DISTRICT NETWORK RESOURCES

All employees must sign an Acceptable Use Policy agreement when hired and on a yearly basis before access is granted to the District's computer network resources. If an employee objects to signing an AUP they will not be allowed on the district network which could affect their employment status.

Staff, students, and members of the community may be given access to the District's computer network resources. This access, including account and password, must not be shared, assigned, or transferred to another individual.

Access to the District's computer network resources may be suspended or terminated if terms and conditions of this AUP are violated. Prior to a termination of access to the District's

computer network resources, the user will be informed of the suspected violation and given an opportunity to present an explanation. The user may request a review hearing with an appointed hearing officer within seven (7) days of notification if the user feels that such action is unjust. After the review, access may be terminated if the hearing officer denies the appeal as well as disciplinary consequences deemed appropriate by the school administrator.

3. SYSTEM SECURITY

Computer users may not run applications or files that create a security risk to the District's computer network resources. If users identify a security problem, they must notify appropriate administrators immediately.

Any user deemed to be a security risk, or discovered to have a proven history of problems with other computer networks, may be denied access to the District's computer network resources.

Users should immediately notify Information Technology if they believe that someone has obtained unauthorized access to their private account.

4. RESPECTING RESOURCE LIMITS

Staff, students, and community members will not post chain letters or engage in spamming. Spamming is sending unsolicited "junk" messages to a large number of people, or sending a large number of messages to a single person, with the intent of annoying users or to interrupt the system.

The system administrators reserve the right to set a limit on disk storage for network users as

well as blackmail and other connections from outside hosts that send unsolicited, mass or commercial messages, or messages that appear to contain viruses.

Advertising will be permitted on the District's computer network resources with the prior approval of the appropriate administrator.

5. ILLEGAL ACTIVITIES

The District will cooperate fully with local, state, or federal officials in any investigation related to illegal activities that blatantly corrupt the educational value of computers or instances that violate the law.

Attempting to gain unauthorized access to the District's network resources or go beyond authorized access is prohibited. This includes attempting to log in through another person's account or accessing another person's files.

Vandalism will result in cancellation of privileges to the District's computer network resources. Vandalism is defined as any malicious attempt to harm or destroy data or equipment on any computer network.

It is prohibited to use the District's computer network resources with the intent of denying others access to the system.

6. INTELLECTUAL PROPERTY (COPYRIGHT)

No copyrighted material is to be placed on the District's computer network resources without written permission from the copyright owner.

Any material placed on the District's network or web pages by an employee, with the use of district or personnel technology will become property of the District unless permission to keep Intellectual Property rights is granted in

writing by the employee’s supervisor or the Information Technology Department.

All users of the District’s network resources must agree not to submit, publish, or display any type of material that violates this AUP.

7. SOFTWARE

Only software approved (certified) by the Information Technology’s Technology Purchase Request (TPR) review committee and proof of valid software license(s) can be used on District computer systems including freeware, shareware and beta/test software.

Software that is damaging to the District’s network resources or any other systems is prohibited.

8. DIGITAL CITIZENSHIP

- Polite and appropriate language is expected at all times. Abusive messages are prohibited.
- Harassment is unacceptable and prohibited. Harassment is conduct, which is sufficiently severe, persistent, or pervasive that it adversely affects, or has the purpose of logical consequence of interfering with a user’s educational program, or creates an intimidating, hostile, or offensive environment. Behavior that continues after an individual is informed of its offensiveness may constitute evidence of intent to harass. If told by a person to stop sending messages, the sender must stop.
- Cyberbullying is prohibited. This includes, but is not limited to, the following forms: harassing, teasing,

intimidating, threatening, or terrorizing another student or staff member by way of any technological tool, such as sending or posting inappropriate or derogatory email messages, instant messages, digital pictures or images, or website postings (including blogs or social media sites), which has the effect of physical or emotional harm. Anyone who engages in such activity is in violation of this policy and shall be subject to appropriate discipline.

- Teachers will be provided curriculum for educating students about digital citizenship and appropriate and safe online behavior, including interacting with others using social networking and chat rooms and how to properly address cyberbullying situations. They will be provided information created by the district’s Educational Technology training team for reference and use in instruction.

9. LIABILITY

- Oklahoma City Public Schools does not warrant the functions or services performed by the District’s computer network resources. Resources are provided on an “as is, as available” basis.
- Opinions, advice, services and all other information supplied by third parties are for informational purposes only. It is not guaranteed to be correct. Users are urged to seek professional advice for specific individual situations.
- Any software available from the District’s network resources is not guaranteed as to suitability, legality, or performance by Oklahoma City Public

Schools.

- Staff, students and community members agree to indemnify and hold harmless Oklahoma City Public Schools for any liability arising out of any violation of this AUP.

10. ELECTRONIC MAIL AND REAL-TIME CONFERENCING

- It is not the intention of the Information Technology Department to inspect or disclose the contents of electronic mail or computer files sent by one user to another, without consent from either party, unless required to do so by Oklahoma City Public Schools, local, state or federal officials. Electronic mail is not private. As with written communications, users should recognize there is no expectation of privacy for electronic mail.
- Users are expected to remove e-mail messages in a timely manner.
- All users must promptly report inappropriate messages received to a teacher, supervisor, or the system administrators. Any user should not reveal personal information such as addresses, phone numbers, passwords, or financial information to others. Private information may not be posted about another person. Individuals need to use caution when corresponding or communicating through email, chat rooms, instant messengers or websites.
- A canceled account will not retain electronic mail.
- The system administrators reserve the right to terminate access to the District's computer network resources if this AUP is violated while using

electronic mail and real-time chat features, including video conferencing.

- While we allow personal e-mail to be sent through the system, please remember that this account is for work/school purposes, and all mail (and other data) residing on the Network is the property of Oklahoma City Public Schools. We highly discourage subscribing to personal mailing lists and using your network account for promotions, giveaways, sweepstakes, and other non-business related communications. Excessive amounts of mail received from such sources may be deleted without warning. Any mail that is related to running a private business or involved in unsolicited advertising will be deleted and its sender's e-mail privileges may be revoked. Similarly, the Oklahoma City Public School district does not permit the "relaying" of email. Mail relaying is when mail is sent from an outside account through Oklahoma City Public Schools' e-mail server for the purpose of masking who the original sender was.
- Abusing District distribution lists is prohibited. Examples of abusing a distribution list include sending mail to the entire District to inform all users of the system that your child is selling candy and to see you for details. This kind of solicitation unnecessarily clogs the email system and frustrates users. Electronic mail is an efficient and convenient means of communication, but problems can arise when it is used without restraint and discipline.

Other prohibited electronic communications

include, but are not limited to:

- Using another’s password.
- Use of electronic communications to send copies of documents in violation of copyright laws;
- Use of electronic communication systems to send messages, access to which are restricted by laws or regulations;
- Capture and “opening” of undeliverable electronic communications except as required in order for authorized employees to diagnose and correct delivery problems;
- Use of electronic communications to intimidate others or to interfere with the ability of others to conduct District business.
- “Spoofing,” i.e., constructing electronic communications so it appears to be from someone else;
- “Snooping,” i.e., obtaining access to the files or communications of others for the purpose of satisfying idle curiosity, with no substantial District business purpose;
- Attempting unauthorized access to data or attempting to breach any security measures on any electronic communication system, or attempting to intercept any electronic communication transmissions without proper authorization.
- Sending or displaying offensive messages or pictures; using obscene language.

11. CONSEQUENCES

Financial and criminal penalties may be incurred by Oklahoma City Public Schools for pirated or

unlicensed software. These penalties may be passed on to the offender. Software piracy and license fraud is a serious crime and results in extraordinarily high fines (usually twice the value of the pirated software title). If user is unclear of such software, contact the Information Technology Department.

Violation of Oklahoma City Public Schools’ policies, regulations and procedures concerning the use of the WAN and the Internet will result in the same disciplinary actions that would result from similar violations of other Oklahoma City Public School policies and/or regulations. Any or all of the following consequences may be employed:

- Any campus-based disciplinary consequence, including suspension, deemed appropriate by the school administration.
- Long-term suspension may be considered in flagrant violations that blatantly corrupt the educational value of computers or in instances when users have used Oklahoma City Public Schools’ WAN or Internet access to violate the law or to compromise the relationship between Oklahoma City Public Schools and our ISP.
- Employees found to be using the WAN or Internet access inappropriately or illegally are subject to progressive disciplinary consequences specified under applicable Board policies/regulations or negotiated agreements.

PARENTS

PARENT INVOLVEMENT

Parents are important partners in helping

children become better students. Each school has a parent involvement policy, and parents are invited to participate in the development and evaluation of the policy. OKCPS will use school visits, phone calls, parent conferences, report cards, social media, websites and emails and other available technology to communicate with parents to foster involvement.

INCLUSION STATEMENT

OKCPS students are fortunate to have many adults involved in their education. References in this handbook to parents include guardians and other family members who often act in lieu of or in partnership with parents. Programs and practices are in place to meet the diverse needs, languages, and cultures of students and parents. Several opportunities are available for parents to learn more about schools, educational programs and ways to help their children achieve in school. Contact your school principal or the Title I Office at 587-0160 for more information.

SPECIAL REPORTS TO PARENTS

Teachers will contact parents when they determine a student is performing unsatisfactorily. The notification must be in writing in a language the parent can read during the 4th, 5th, or 6th week of each quarter. Additional notices may be sent earlier than the 4th week of the quarter or later than the 6th week of each quarter.

PARENT COMMUNICATION WITH SCHOOLS

Schools should be the first point of contact for issues and complaints. Please communicate issues with your site principal prior to filing a complaint with their director. Thank you in advance for your support!

STEPS TO RESOLUTIONS FOR PARENTS

The Oklahoma City Public School District strives to maintain a harmonious relationship between parents, teachers, staff and administration. Occasionally, misunderstandings occur and resolutions need to be made. Often, concerned parties will contact media outlets looking for help resolving the matter; but concerns are best resolved on the level at which they occur. By following these steps situations can usually be resolved in a quick and fair manner. Below is the process parents or guardians should take to resolve a situation.

1. CONTACT THE STAFF MEMBER

The most direct route to resolving a concern is to speak directly with the person involved, whether it is a teacher, a coach, a bus driver, etc. More than 95 percent of concerns are resolved through communication with those involved.

2. CONTACT THE PRINCIPAL

The principal is in charge of each campus and is responsible for the school’s operation. Explanations of policies and procedures, various clarifications and all types of campus information are available in the principal’s office.

3. CONTACT THE APPROPRIATE CENTRAL ADMINISTRATOR

Call the PK-12 Office at 587-0049 to reach the appropriate administrator or director. This step should be taken only when steps one and two have not resolved the concern.

4. CONTACT THE SUPERINTENDENT

If your concern has not been resolved in Steps 1

through 3, then a call to the Superintendent's Office is appropriate.

5. CONTACT THE BOARD OF EDUCATION

This is done by requesting a hearing in the Board Clerk's office. Board members of the Oklahoma City Public Schools are not to help resolve conflicts. If a Board member has been involved before the hearing, he/she may request to not participate in meeting.

PARENTS' RIGHT TO KNOW

Teacher Qualification Requirements

At the beginning of each school year, parents may request information in writing regarding the professional qualifications of their student's teacher/s. Specifically, the parent has the right-to-know:

- Teacher qualifications for licensure and certification.
- Teacher's type of certificate, emergency or provisional.
- Teacher's baccalaureate and graduate degree majors.
- Whether the student will be provided assistance from paraprofessionals and, if so, the qualifications of the paraprofessional.
- If a student receives instruction from an unqualified teacher for four or more consecutive weeks.

Parents may also request information on the level of achievement of their children in each of the State of Oklahoma academic assessments. If you have questions, please contact the Title I office at 587-0160.

ADDITIONAL PROGRAMS TO SUPPORT PARENTS

EARLY BIRDS

This research-based, practical program helps parents prepare their children for school success. The unique family-based, school readiness program arms parents with information, activities and materials to use with their young children. As children's first teachers, parents/guardians are charged with preparing their children to enter kindergarten ready to learn. Early Birds provides tools and training for parents and legal guardians of children from birth to age five through parenting classes at OKCPS schools. Professional child care is provided. For more information or to register for classes, go to the Early Birds web page or call 587-0422.

PARENTS AS TEACHERS

Offered for both expectant parents and to parents of children from birth to age three, the goal of the program is designed to strengthen parents' capacity as their children's first and most important teachers to support the best possible start in life and minimize developmental issues that could impact learning. The free, voluntary parent education program also fosters an early partnership between home and school as a foundation for future school success.

For more information, visit the Parents As Teachers website or call 587-0360.

FERPA RIGHTS & DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a

Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

The Uninterrupted Scholars Act (Public Law 112-278) was enacted on January 14, 2013. The Act amends FERPA to permit educational agencies and institutions to disclose a student's education records, without parental consent, to a caseworker or other representative of a State or local child welfare agency or tribal organization authorized to access a student's case plan "when such agency or organization is legally responsible, in accordance with State or tribal law, for the care and protection of the student."

FERPA gives parents certain rights with respect to their children's education records. Education records are defined as all "materials maintained by the school, district, district employee or district agents, which is directly related to a student and maintained by the district or a party acting for the district." Records include, but are not limited to, documents, tape recordings, and video recordings. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

Parents or eligible students have the right to

request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "DIRECTORY" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents

and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. OKCPS annually discloses this information in the Student/ Parent handbook. PROTECTION OF PUPIL RIGHTS AMENDMENT NOTIFICATION (PPRA)

PPRA (20 U.S.C. § 1232h; 34 CFR Part 98) applies to programs that receive funding from the U.S. Department of Education (ED). PPRA is intended to protect the rights of parents and students in two ways:

- It seeks to ensure that schools and contractors make instructional materials available for inspection by parents if those materials will be used in connection with an ED funded survey, analysis, or evaluation in which their children participate; and
- It seeks to ensure that schools and contractors obtain written parental consent before minor students are required to participate in any ED funded survey, analysis, or evaluation that reveals information concerning:
 - Political affiliations;
 - Mental and psychological problems

potentially embarrassing to the student and his/her family; Sex behavior and attitudes; Illegal, antisocial, self-incriminating and demeaning behavior;

- Critical appraisals of other individuals with whom respondents have close family relationships;
- Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers; or
- Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

Parents or students who believe their rights under PPRA may have been violated may file a complaint with ED by writing the Family Policy Compliance Office. Complaints must contain specific allegations of fact giving reasonable cause to believe that a violation of PPRA occurred.

ASBESTOS HAZARD EMERGENCY RESPONSE NOTIFICATION (AHERA)

AHERA requires the inspection of all school buildings for asbestos. OKCPS has complied with this act. A management plan documenting these inspections is on file for public review. Upon request, you may view the plan which is located in the main office of each school and the OKCPS Service Center. We will annually notify all parents, teachers, and other employees by posting this notice. Additionally, information regarding any asbestos related activities; planned or in progress, will be disseminated by posting a notice or using hand

out bulletins, flyers and/or using newspaper public notice statement.

MENINGITIS ANNUAL NOTIFICATION

This annual notification contains important information about meningococcal disease and meningococcal vaccines from the Oklahoma State Department of Education and the Oklahoma State Department of Health. Meningitis is an infection of the tissue lining and fluid that surrounds the spinal cord and the brain. Meningitis is usually caused by a virus or a bacterium. Meningitis caused by a virus is usually less severe and goes away without any special treatment, while meningitis caused by bacteria can be severe and may cause brain damage, hearing loss, amputation of arms or legs, learning disabilities, or death.

The disease is spread by respiratory droplets produced by a person harboring the bacteria and expelled a short distance by laughing, singing, coughing, or sneezing. The bacteria may also be spread by direct contact with the respiratory fluids of someone who is infected. That includes kissing or sharing a water bottle, food item, cigarettes, lipstick, lip balm, mouth guard or anything an infected person touches with his or her nose or mouth.

Vaccines can prevent approximately two-thirds of the meningococcal disease cases. There are two types of meningococcal vaccine available in the United States (MCV4 and MPSV4) that protect against four of the five most common disease-causing strains of the meningococcal bacteria. A single dose of MCV4 meningococcal vaccine protects about 90 percent of the people who are immunized against meningococcal disease caused by types A, C, Y, and W-135. These types cause almost two-thirds of all

meningococcal disease among teenagers in the United States. It does not prevent type B, which causes about one third of the cases in teenagers.

Further health questions can be answered through the Oklahoma State Department of Health Immunization Service at 405-271-4073, or website at <http://imm.health.ok.gov>.

RESOURCES

STUDENT ENROLLMENT

The following information provides specifics regarding enrollment in OKCPS, including documents parents and guardians are asked to provide. Unless a transfer has been approved, parents and guardians enroll their children at their assigned neighborhood school during normal school hours or designated enrollment times.

Visit www.OKCPS.org and click on School Locator to find your resident school or call Student Services at 587-0438.

ENROLLMENT AGES & SERVICES

All children meeting residence requirements who are between the ages of five and twenty-one years on or before September 1 of the year the student is enrolling are entitled to an education free of charge.

Prekindergarten is for students who turn four years of age by September 1 of the enrollment year. Neighborhood children are enrolled first, within-district transfers second, and out-of-district transfers third. If space is available after Oct. 1, three-year-old students may be accepted on a tuition basis. Enrolling a three year old requires the approval of the principal. Children attending pre-k at age three would

repeat pre-k the following year.

Children with disabilities under the age of five may enroll in early childhood programs for services

Students who are unable to attend school for extended periods of time because of a physical disability or service in the United States armed services or auxiliary organization may attend school between the ages of 21 and 26.

ENROLLMENT CATEGORIES

Returning OKCPS Students ensure their schools have **updated** contact, immunization, and guardianship information. Schools also verify a birth certificate or other approved age documentation is on file in the student's cumulative folder. Finally, **two (2)** items **verifying residence address** may include the following:

- Proof of payment of local personal income tax or ad valorem taxes
- Title to residential property in the district, or a valid unexpired lease agreement, or receipts for payment of rent on a district residence in which the applicant actually resides
- Utility bills (gas, water, or electric proof of service or bills)
- A valid, unexpired driver's license or motor vehicle registration
- Current voter registration

Principals may accept other documents at their discretion.

New Students, First-time Enrollees and Immigrant Students entering OKCPS are asked

to provide the following items:

- Birth Certificate or other age verification
- Immunization records,
- Two Proofs of Residency
- Guardianship documentation, if applicable

Students who are in high school or believe they have earned high school credit are asked to provide official transcripts which will be evaluated by the school for possible course and grade credit. Students' course enrollments may need to be changed following evaluation of transcripts if transcripts are not available at enrollment.

When transferring from another district or school, a withdrawal form from the previous school verifies your child is no longer enrolled. Upon enrollment, the school will request a withdrawal form, student transcript or grade report, and discipline reports from the previous school.

Homeschooled and Private School Students entering the district are placed in the appropriate grade level as reasonably determined by the school. The school may administer tests or utilize other reasonable means to determine placement. Transcripts from non-accredited programs will not be included on the student's official transcript. Transcripts from accredited programs will be evaluated for possible course and grade credit.

Non-Resident Students may attend OKCPS on an approved open or emergency transfer, provided space availability exists and the student is not currently suspended or involuntarily withdrawn from another school.

Suspended Students may return to a regular classroom setting upon completion or expiration of suspension terms.

Foreign Exchange Students may participate in a certified exchange program. Sponsoring agencies and host families should review the [Enrollment of Exchange Students](#) regulation on Board of Education tab of the district website.

Homeless Students have the right to enroll in school immediately, even if lacking documentation normally required for enrollment; such as previous school records, medical or immunization records, proof of residency, birth certificate, proof of guardianship, or other documents.

Students in Foster Care have the same rights to be enrolled even if they are lacking documentation normally required for enrollment.

RESIDENCY

The residence of a child for school purposes is where the parents, guardians, or persons having legal custody who contribute the majority of financial support for the child live. Also, any student living in the district who is financially self-supporting is considered a resident of the school district if the child works and attends school in the district.

GUARDIANSHIP

Residence of a child may be a foster home, except a therapeutic foster home or specialized foster home where a child is in voluntary placement where a child has been placed by the person or agency having legal custody of the child per court order, or by a state agency having

legal custody of the child, or any orphanage or facility having full-time care and custody.

Resident district may also be where a child is entirely self-supporting, or resides in a state-licensed or operated emergency shelter.

RESIDENCY BY AFFIDAVIT

Although not required by law, OKCPS allows establishment of residency by affidavit. An adult who does not fall within the categories listed above may file an affidavit with the school district attesting he or she:

- Holds legal residence in the school district
- Has assumed permanent custody of the child
- Contributes the major degree of support to the child
- States the reason(s) for assuming custody

The affidavit is valid for the current school year and must be submitted annually to the school if the custody arrangement continues beyond the school year.

Affidavits to establish residency are utilized for emergencies or special circumstances. This affidavit may not be used to avoid enrollment in the student's resident school. If the custody arrangement is found to be for the purposes of selecting a school other than assigned to the home address, the student will be asked to enroll in the resident school.

The filing of a false affidavit is against the law, punishable by fine or imprisonment.

RESIDENCY DISPUTES

If a school and the principal of the school denies admittance of a student who claims to be a resident of the district, the parent, guardian, or person having care and custody

of the student may request a review by the PK-12 Office. The PK-12 Office representative responsible for the review will provide a response to the parent's appeal within three school days.

Within three school days of the denial by the PK-12 office, the parent who is not satisfied with the results may request a review of the request for enrollment by the district's residency officer. Requests for review may be made by calling 405-587-7867 or completing a TIPS Incident Report from the district website. The request for review shall include any additional pertinent information that may justify the admittance of the child to the school district.

Upon receipt of a request for review, the residency officer and/or residency committee will render a decision and notify the parent within three school days of the receipt of the request for review.

If the parent disagrees with the findings of the residency officer, the parent will notify the residency officer within three school days of the receipt of the decision. The residency officer will submit his/her findings and all documents reviewed to the board of education.

The board of education will review the decision and the documents submitted by both the residency officer and the parent and render a decision at the next board meeting. The board's decision may be appealed only pursuant to procedures utilized by the State Department of Education.

AGE VERIFICATION

Parents/guardians of children new to the district are asked to provide at enrollment an official copy of the birth certificate for school files. Although an official birth certificate is preferred, in the absence of a birth certificate, the principal may accept other documentation that shows the child's name and date of birth such as:

- An attending physician's certificate
- Permanent school records
- Family bills (shows student's date of birth)
- Last year's attendance register or other official scholastic record
- Baptismal certificate
- Passport
- Life Insurance policy

The principal may also allow the parent/guardian a reasonable length of time to obtain proof of age (parent contacts the department of health from the student's birth city). In such a case, the principal will be responsible for dismissing the student at the end of the grace period unless age verification documentation is presented.

If the principal denies enrollment or dismisses a student due to the absence of age verification, the parent may appeal to the PK-12 Office.

Enrollment is complete when all necessary documentation has been provided to the school and verified by school personnel.

HOMELESS STUDENTS & THOSE WHOSE FAMILIES LIVE WITH RELATIVES OR FRIENDS

“Homeless children and youth” as individuals who lack a fixed, regular, and adequate nighttime residence.

According to the federal McKinney-Vento Education Assistance Improvements Act, school districts are required to provide children and youth experiencing homelessness services that are comparable to other students in the district. Homeless students must have access to any educational services for which they qualify, including public preschool programs, special education, Title I, and limited English proficiency programs, gifted and talented programs, school meal programs, before and after school programs, and transportation services. No child or youth shall be discriminated against or segregated.

Students who qualify should be referred to the OKCPS HOPE program at 587-0119 to determine if they are eligible for additional services such as assistance with school nutrition, transportation, school supplies, hygiene products, socks and undergarments, school uniforms, and coats.

The McKinney-Vento Homeless Education Assistance Improvements Act defines “homeless children and youth” as individuals who lack a fixed, regular, and adequate nighttime residence and includes children and youth who:

- Sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations, living in emergency or transitional shelters;
- A primary nighttime residence that is a publicly or privately operated shelter designed to provide temporary living accommodations, a temporary residence prior to institutionalization, or a place not designed or ordinarily used as a regular sleeping accommodation for humans;
- Living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar setting;
- Migratory according to the definition as established in Section 1309 of the Elementary and Secondary Act of 1965;
- Unaccompanied youth not in the physical custody of a parent or guardian.
- Temporarily live in a trailer park or camping area due to lack of adequate living accommodations.
- Have run away from home and live in a runaway shelter, abandoned building, the street, or other inadequate accommodations.
- Have been placed in a state institution because they have no other place to live.
- Have been abandoned by his/her family and who is staying in a hospital.
- Have parents or a guardian will not permit them to live at home and who live on the street, in a shelter, or in other transitional or inadequate accommodation.

- Are school-age unwed mothers or expectant mothers who are living in homes for unwed mothers because they have no other available living accommodations.

Schools must immediately enroll students in homeless situations, even if they do not have required documents, such as previous school records, medical or immunization records, proof of residency, birth certificate, proof of guardianship, or other documents. Students must be enrolled in school while the school requests and is waiting for school records from the previous school or while student begins process of receiving immunizations.

The term “unaccompanied youth” includes minors who are not in the physical custody of a parent or guardian. This includes runaways, youth living in shelters, abandoned buildings, cars, or in other inadequate housing. Schools must also enroll unaccompanied youth who qualify as homeless because they are living in circumstances as described above.

School districts are required to keep students who qualify under the McKinney-Vento Act in their school of origin, to the extent feasible, unless it is against the parent’s or guardian’s wishes. The school of origin is either the school attended when permanently housed, or the school in which the student was last enrolled. Students are entitled to receive transportation to their school of origin or last school attended. If a student is sent to a school other than the school of origin or school requested by parent or guardian, the school must provide a written explanation of its decision and the right to appeal.

Each school year, every student, regardless of

living situation, completes an OKCPS Enrollment Questionnaire that discloses where the student is living, identifies students living in transition, and if they qualify for services under the McKinney-Vento Act.

Applicants qualifying for services are to be referred to the OKCPS Homeless Liaison at 587-0106. Also, please fax their Enrollment Questionnaires to the HOPE Department at 587-0642.

STUDENTS IN FOSTER CARE

Children may be enrolled by their foster care parents, social workers or other legal guardians. To prevent educational discontinuity, enrollment must not be denied or delayed for children in foster care because documents normally required for enrollment have not been provided.

- School immediately contact the school last attended by any such child to obtain relevant academic and other records.
- Guardianship or legal custody documents will be provided including power of attorney, affidavit, and court order

The District's Foster Care Coordinator collaborates with **Child Welfare Agencies** on a case-by-case basis to determine "best interest" for the child by considering factors such as, but not limited to, the child's safety, socio-emotional, stability, service and familial needs and preferences, plus the school's climate, resources, academic, and safety as they relate to the student needs.

For more information, contact the Foster Care Coordinator at 587-0058.

STUDENT WITHDRAWAL PROCESS

Upon notice that a student is withdrawing, the school will provide withdrawal paperwork to the parent within 24 hours. This period will allow sufficient time for preparation of withdrawal grades, absences, textbook return, and clearance of financial obligations.

TRANSFERRING RECORDS BETWEEN SCHOOLS

The district complies with the Family Education Rights and Privacy Act of 1974 (FERPA 34 CFR 99.22). Once a student withdraws from school, records can be transferred for the child upon request from the child's new school. After receipt of a records request, schools have 3 business days to submit records to another school.

The last OKCPS school a student attends permanently stores the student's cumulative records. The cumulative folder shall include, but is not limited to, grades, attendance data, discipline events regarding the health and safety of others, health and immunization history, results of testing programs, school activities, and personal and family background.

SCHOOL ASSIGNMENTS & TRANSFERS

Students enroll in their resident school, which is determined by the student's address, unless a legal transfer is approved. All parents or guardians of students seeking transfer to an OKCPS school first visit the school they would like for their students to attend and submit the OKCPS District Transfer Form Transfer Application. If space is available at the school and reviews of student's' current school attendance and discipline histories are satisfactory, principals sign forms to approve the transfers. Requests are considered on a first-come, first-served basis with students who

live in the district given first priority over students who live outside the district.

Students remain enrolled in their home schools until a legal transfer is officially approved. Parent is responsible for student transportation to and from the school when student attends a school other than the school assigned to the home address. Students may obtain only one transfer per year. Students may not be accepted or denied based on ethnicity, national origin, gender, income level, disabling condition, proficiency in the English language, measure of achievement aptitude, or athletic ability.

TRANSFER CANCELLATIONS

If the District determines a site or program requested is unavailable, the transfer shall become null and void, and the District will not be obligated to honor the transfer at another District site. A principal may not cancel an approved transfer during the year; however, the principal may cancel the transfer for the following year by providing written notification, including the reason for cancellation, to the parent and Student Services by May 1. Cancelled transfers result in students returning to their resident school. Parents may cancel an approved transfer at any time to return to their resident school by providing written notification to the Principal and Student Services. Emergency transfers may be cancelled with the concurrence of the board of the receiving district and the parent.

Application and charter schools may have additional guidelines or deadlines for cancelling student transfers; parents and students in those schools need to be aware of these additional policies.

HEALTH REQUIREMENTS & INFORMATION

The OKCPS health program emphasizes health education, disease prevention and the identification of health problems that may impact a student's ability to learn. Students in selected grade levels are screened for height, weight, vision, hearing, blood pressure, dental, and throat inspection. If further medical attention is indicated, referrals are made to an appropriate healthcare provider.

RNs and LPNs employed by OKCPS Health Services provide specialized health care for students who have disabling conditions under the direction of the student's physician. Our RNs are certified school nurses. Our LPNs are support staff working with medically fragile students. Parents are asked to notify the school of children for whom a temporary or permanent health problem that problem might restrict participation in school activities, such as physical education. In these cases, written notification from treating physicians describing conditions and recommended types and length of restrictions are required. Permanent restrictions must be renewed at the beginning of each school year.

Any child returning to school following a long-term illness or surgery will be asked to provide a release from a physician including any restrictions or accommodations necessary.

GUIDELINES FOR KEEPING A SICK CHILD HOME FROM SCHOOL

It is often difficult to tell how sick your child is in the morning before school. School is important, but sick children need to be at home. The following considerations can help you decide whether your child should stay home from school.

- Temperature - Though children may not have a fever and still be sick, a temperature of 100 degrees or over is a sure sign to keep your child home. Giving a fever reducer (Tylenol) and sending your child to school will almost guarantee a call from school when the medicine wears off, as well as exposing other students to whatever your child has.
- Vomiting or diarrhea during the previous evening or night, please keep your child home. Consult a doctor if symptoms continue more than 48 hours or worsen instead of improving.
- A blistering rash, especially if accompanied by fever and a history of exposure may be chicken pox. Keep your child home until you know for sure. If it is chickenpox, your child will need to stay home until all areas are scabbed, usually 6-7 days.
- Heavy nasal congestion and/or a frequent cough, keep your child at home. At school with these symptoms, children probably feel miserable, will not learn much, and will be sharing a virus with others.
- Contagious disease diagnosis, such as strep, your child should have taking their prescription antibiotics for 24 hours before returning to school.

If your child stays home, improves, and does not run a temperature (without medication), your child can be taken to school. Be sure that the school has current telephone numbers to reach you at all times in case your child becomes ill or injured.

MEDICATION

For both prescription and over-the-counter

medication to be given to students at school, the school must have written directions from a physician and written permission from the parent or guardian. Consult the school nurse for appropriate forms and procedures.

The medication must be sent in a pharmacy labeled bottle. Inhalers need to have the pharmacy label on the inhaler. Any changes in time, dosage, or medication will require new orders from the physician and a new form signed by the parent. All pills will be counted by two people when medication arrives at school and any remaining medication counted at the end of the school week by two people.

Medication will be dispensed by the school nurse, or in the absence of the school nurse, by the school administrator or their designee. Any over-the-counter medications brought to the school must be in an unopened, original container. All medications, prescription and over-the-counter, must be picked up by the parent at the end of the school year. No medications will be sent home with students.

HEAD LICE

Lice are tiny insects about the size of a sesame seed and survive on human blood. They do not jump or fly, they crawl. Lice are usually passed from person to person by shared combs, brushes, hats, coats, sweaters, scarves, or other personal items.

Lice eggs are called nits. Nits are very small, yellowish or grayish white in appearance and teardrop shaped. They are attached to strands of hair and will not wash out or blow away.

Children found to have head lice or nits will be excluded from school. The most common sign of lice infestation is constant itching. If your

child is constantly itching, check the scalp for lice. Live lice can be difficult to find and they move quickly. They do not like bright light so use a bright light or bright natural light to check your child's scalp. Check each strand of hair for nits.

If lice are found:

- Use a lice-killing shampoo. Carefully follow package directions. Apply the shampoo to a dry scalp. No treatment will kill all of the eggs (nits). Nit removal is the key to effective treatment. It is best to remove the eggs by combing the hair with a special nit comb.
- Any person who has lice should be treated twice with 7-10 days after the first shampoo or according to package directions. Be sure to check all members of the family during this period of time for additional infestations.
- Personal items (combs, brushes, coats, caps, etc.) and household surfaces, combs, brushes, head gear, and bed linens must be washed in hot water. Items which cannot be washed must be sealed in plastic bags for 14 days. Carpets, sofas, mattresses must be vacuumed (including corner, around seams, etc.). It is not necessary to buy special detergents or pesticides.

Successful treatment must include removal of ALL nits. It just takes one nit, left on the hair, to start another infestation. OKCPS has a "NO NIT POLICY."

CHICKEN POX

Chickenpox vaccine is required for students pre-Kindergarten through 12th grade. The virus is

passed by direct person to person contact or by airborne respiratory secretions. The rash usually occurs 10 to 21 days after exposure. The child may have a mild fever and/or loss of appetite for 1 to 2 days before the rash appears. The rash appears as red pimples and progresses to clear, oval-shaped spots which will break easily for 3 to 4 days. The child can return to school when all of the oval-shaped spots are dry and crusted over.

It is important to NEVER give aspirin or aspirin containing medication to children with a viral infection because of the increased risk in developing Reye Syndrome. The current recommendation is to receive one series of two varicella immunizations, 3 months apart to prevent them from developing chickenpox.

MENINGITIS

In addition to the annual notification included in the handbook, further health questions can be answered through the Oklahoma State Department of Health Immunization Service at 271-4073, or website at https://www.ok.gov/health/Disease_Prevention_Preparedness/Acute_Disease_Service/Disease_Information/Meningitis.html

IMMUNIZATION REQUIREMENTS

The Immunization Requirements for School Attendance are available on the state of Oklahoma website. Students in grades PK-12 cannot be admitted or enrolled in any public school without the appropriate immunizations. The OKCPS Health and Medicaid Services Department monitors and implements the immunization program according to State Law #1210-191 and school district policy.

Please contact your school nurse for questions regarding immunizations or regarding student's

health.

Guide to Immunization Requirements in Oklahoma: 2017-18 School Year

All children two months of age and older must present an immunization record or file for an exemption before they are allowed to attend childcare or school in Oklahoma. Please read the bullets below for essential information.

These children are "in the process" of receiving immunizations.**

Enfermedades-Prevenibles con Vacunas y las Vacunas que las Previenen

Difteria (Se puede prevenir mediante las vacunas DTaP & Tdap)

Difteria es una enfermedad bacteriana muy contagiosa que afecta el sistema respiratorio incluyendo los pulmones. Bacteria Difteria puede ser propagada de persona a persona por contacto directo con gotitas de tos o destornudo de una persona infectada. Cuando las personas están infectadas, la bacteria difteria producen una toxina (veneno) en el cuerpo que causa debilidad, dolor de garganta, fiebre de grado bajo, y glándulas inflamadas en el cuello. Efectos de esta toxina también pueden conducir a la inflamación de los músculos del corazón y, en algunos casos, insuficiencia cardíaca. **En casos severos, la enfermedad puede causar coma, parálisis, e incluso la muerte.**

Hepatitis A (Se puede prevenir mediante la vacuna HepA)

La Hepatitis A es una infección en el hígado causado por el virus de la hepatitis A. El virus principalmente se propaga de persona-a-persona por vía fecal-oral. En otras palabras, el virus se recoge por la boca por contacto con objetos, comida, o bebidas contaminadas por la materia fecal (heces) de una persona infectada. Síntomas incluyen fiebre, cansancio, pérdida de apetito, náusea, molestia abdominal, orina oscura, e ictericia (piel y ojos amarillos). Una persona infectada puede no tener ningún síntoma, puede tener una enfermedad leve por una o dos semanas, o puede tener una enfermedad severa por varios meses que requiere hospitalización. **En los EE. UU., aproximadamente 100 personas al año mueren de la hepatitis A.**

Hepatitis B (Se puede prevenir mediante la vacuna HepB)

La Hepatitis B es una infección del hígado causado por el virus de la hepatitis B. El virus se propaga a través del intercambio de sangre u otros fluidos del cuerpo, por ejemplo, de compartir objetos personales, como la navaja de afeitar o durante las relaciones sexuales. La hepatitis B causa una enfermedad como la gripe con pérdida de apetito, náusea, vomito, sarpullido, dolor en las articulaciones, e ictericia. **El virus permanece en el hígado de algunas personas por el resto de su vida y puede resultar en enfermedades severas del hígado, incluyendo cáncer fatal.**

Virus de Papiloma Humano (Se puede prevenir mediante la vacuna HPV)

El virus de Papiloma Humano también conocido como HPV, es un virus muy común que se propaga por el contacto de piel-a-piel durante cualquier tipo de actividad sexual con otra persona. Alrededor de 79 millones de Americanos, la mayoría a finales de la adolescencia y los principios de los veinte años, están infectados con HPV. HPV es tan común que casi todos los hombres y las mujeres sexualmente activos lo contraen en algún punto de su vida. Es una de las causas principales de cáncer cervical en mujeres y verrugas genitales en hombres y mujeres. **Cada año en los Estados Unidos por lo menos 4,000 mujeres mueren de cáncer cervical causado por HPV**

y por lo menos 8,000 casos de cánceres causados por HPV en los hombres ocurren cada año.

Sarampión (Se puede prevenir mediante la vacuna MMR)

El sarampión es una de las enfermedades virales más contagiosas. El virus del sarampión es propagado por contacto directo con gotitas respiratorias aerotransportadas de una persona infectada. El sarampión es tan contagioso que tan solo por estar en la misma habitación después de que una persona infectada se haiga marchado puede resultar en una infección. Síntomas incluyen sarpullido, fiebre, tos, y ojos rojos, y llorosos. La fiebre puede persistir, el sarpullido puede durar hasta una semana, y la tos hasta 10 días. **El sarampión también puede causar neumonía, ataques, daño cerebral, o muerte.**

Enfermedad Meningocócica (Se puede prevenir mediante la vacuna MCv)

La enfermedad meningocócica es causada por bacteria y es la causa principal de la meningitis bacteriana (infección alrededor del cerebro y la médula dorsal) en niños. La bacteria se propaga por medio del intercambio de gotitas de la nariz o garganta, como cuando tosen, destornudan, o besan. Síntomas incluyen náusea, vomito, sensibilidad a la luz, confusión, y sueño. La enfermedad meningocócica también causa infecciones de la sangre. **Aproximadamente una de cada diez personas que contraen la enfermedad mueren. Sobrevivientes de la enfermedad meningocócica pueden perder sus brazos o piernas, pueden quedar sordos, tener problemas con su sistema nervioso, pueden tener una discapacidad de desarrollo, o sufrir ataques o derrame cerebral.**

Paperas (Se puede prevenir mediante la vacuna MMR)

Paperas es una enfermedad contagiosa causada por el virus de las paperas, que se propaga por aire por medio de tos o destornudo de una persona infectada. Un niño puede contraer paperas si tienen contacto con un objeto contaminado, como un juguete. El virus de las paperas causa fiebre, dolor de cabeza, inflamación dolorosa de las glándulas salivares debajo de mandíbula, dolor muscular, cansancio, y pérdida de apetito. **Complicaciones severas para niños que contraen paperas son poco común, pero puede incluir meningitis (infección del cubierto del cerebro y la médula dorsal), encefalitis (inflamación del cerebro), pérdida auditiva permanente, o inflamación de los testículos, que raramente puede llevar a esterilidad en los hombres.**

Tosferina (Se puede prevenir mediante las vacunas DTaP & Tdap)

La Tosferina es causada por bacteria propagada por el contacto directo con gotitas respiratorias cuando una persona infectada tose o destornuda. En el principio, síntomas de tosferina son similares a la gripe común, incluyendo goteo nasal, destornudo, y tos. Después de 1-2 semanas, tosferina puede causar episodios violentos de tos y sofocación, haciendo difícil respirar, beber, o comer. Esta tos puede durar

varias semanas. **Tosferina es más serio en los bebés, que pueden contraer neumonía, tener ataques, cuásar daño cerebral, o incluso muerte.** Alrededor de dos-tercios de niños bajo 1 año de edad que contraen tosferina tienen que ser hospitalizados.

Polio (Se puede prevenir mediante la vacuna IPV)

El polio es causado por un virus que vive en la garganta e intestinos de una persona infectada. Se propaga por contacto con la materia fecal (heces) de una persona infectada y por medio de gotitas de destornudo o tos. Síntomas típicamente incluyen fiebre repentina, dolor de garganta, dolor de cabeza, debilidad muscular, y dolor. En alrededor de 1% de los casos, polio puede causar parálisis. **Entre aquellos que tienen parálisis, hasta 5% de los niños pueden morir porque se vuelven incapaces de respirar.**

Rubéola (Sarampión Alemán) (Se puede prevenir mediante la vacuna MMR)

La Rubéola es causada por un virus que se propaga por medio de la tos y los destornudos. En los niños rubéola causa una enfermedad leve con fiebre, glándulas inflamadas, y sarpullido que dura alrededor de 3 días. Rubéola raramente causa una enfermedad seria o complicaciones en los niños, pero puede ser muy grave para un bebé en el útero. **Si una mujer embarazada es infectada, el resultado al bebé puede ser devastador, incluyendo aborte natural, serios defectos cardíacos, retardación mental y pérdida de audición y vista.**

Tétano (Trismo) (Se puede prevenir mediante la vacuna Tdap)

Tétano es causado por bacteria encontrada en la tierra. La bacteria entra al cuerpo por una herida, como una cortada profunda. Cuando las personas están infectadas, la bacteria produce una toxina (veneno) en el cuerpo que causa espasmos severos, dolorosos y rigidez de todos los músculos en el cuerpo. Este puede llevar a la "cerradura" de la mandíbula por lo tanto una persona no puede abrir o cerrar su boca, tragar, o respirar. **Recuperación completa del tétano puede llevar meses. Tres de cada diez personas que contraen tétano mueren de la enfermedad.**

Varicela (Se puede prevenir mediante la vacuna de varicela)

La varicela es causada por el virus varicela zoster. La varicela es muy contagiosa y se propaga muy fácil de las personas infectadas. El virus puede propagarse de la tos o destornudo. También puede propagarse de las ampollas en la piel, tocándolas o por inhalar las partículas virales. Típicamente síntomas de la varicela incluyen un sarpullido con ampollas que producen picazón, cansancio, dolor de cabeza y fiebre. **Varicela usualmente es moderado, pero puede llevar a infecciones de la piel severas, neumonía, encefalitis (inflamación del cerebro), o incluso muerte.**

SCHOOL NUTRITION SERVICES (SNS)

OKCPS participates in the National School Lunch and the School Breakfast Program. School Nutrition Services (SNS) implements a program called the COMMUNITY ELIGIBILITY PROVISION (CEP). With CEP, families will no longer be required to submit a meal application for this benefit.

All OKCPS school sites will implement CEP beginning in the 2017-18 school year. Your child(ren) will be able to:

- Enjoy one FREE Breakfast and one FREE Lunch each day.
- Get through lines faster giving them more time to eat!
- Always know they'll get a meal at school.

- Get to eat different and fun foods.
- Buy additional food and healthy snack items if one school meal isn't enough food.

Families no longer need to worry about filling out meal applications or sending money for breakfast or lunch. Imagine. No more embarrassment when you can't afford a meal!

Three, four, or five food items make a meal. If your student ever brings lunch to school, let them add to that with fruit, veggies, and milk! We are Offer versus Serve, so students can choose the foods they want within the planned menu. A sample would be a burger with an apple. Of course, we encourage taking a complete meal if a student wants to eat all of it.

FAQ:

Q: "If the whole meal is free, why can't I just get a free carton of milk or an orange?"

A: USDA pays OKCPS for a MEAL. Students must choose at least 3 items with one item being fruit or veggie.

Menus are posted online. Hover over the food items to see the nutrient analysis.

A la Carte and Smart Snacks – Sometimes a school meal isn't enough food. SNS appreciates your willingness to buy extra food from the cafeteria. This will help us afford to continue CEP.
