<td>School Improvement Designated Sites - October 1, 2017</td>
</tr>
</tbody>
</table>

**Program:** Title I, Schoolwide Plan/School Improvement Plan

**Purpose:** A schoolwide program is a comprehensive reform strategy designed to upgrade the entire educational program in a Title I school; its primary goal is to ensure that all students, particularly those who are low achieving, demonstrate proficient and advanced levels of achievement on State academic achievement standards.

**Legislation:** ESSA, Section 1114

**Regulations:** Designing Schoolwide Programs, Non-regulatory Guidance, March 2006

LEA and School Improvement, Non-regulatory Guidance, June 2006

**OSDE Program Contacts:**

- Debbie Pham, Program Specialist  
  Email: Debbie.Pham@sde.ok.gov  
  Phone: 405-522-1929

- Shelly Ellis, Executive Director  
  Email: Shelly.Ellis@sde.ok.gov  
  Phone: 405-522-3263
### Needs Assessment Step 1: Identify Planning Team (*Must include at least one parent and one teacher.*)

ESSA Section 1114(b)(6) requires that the plan be developed with the involvement of parents and other members of the community to be served and individuals who will carry out such plan, including teachers, principals, other school leaders, paraprofessionals present in the school, administrators (including administrators of programs described in other parts of this title), the local educational agency, to the extent feasible, tribes and tribal organizations present in the community, and, if appropriate, specialized instructional support personnel, technical assistance providers, school staff, if the plan relates to a secondary school, students, and other individuals determined by the school.

Needs Assessment Steps 2-6

**Step 2: Clarify Vision for Reform**
Prior to collecting and analyzing data, the planning team in conjunction with the school staff should meet and discuss the vision for reform. The collective vision should define student success. The goals and programs identified in the Schoolwide/School Improvement Plan should align with this vision. Funds should be used based on assessment of needs and aligned with measurable goals.

*Oklahoma Nine Essential Elements, #7, #9*
Describe school's vision for reform. (559 of 2000 maximum characters used)

The vision of King Elementary is to provide all students with the opportunity to excel at or above grade level. We collect data every quarter that consists of our student/staff demographics, reading and math assessments, student/staff attendance, parental involvement activities and the percentage of participants. We use this data to help with the campus needs assessment. We also implemented the Learner First method to ensure all parents and students were provided with the ability to provide input towards implementing strategies to achieve our goals.

**Step 3: Create School Profile**
The school profile is a data-driven description of the school's current status. At a minimum, schools should assess the current status in the focus areas which significantly affect student achievement: student needs, curriculum and instruction, professional development, family and community involvement, and school environment and organization.

*Oklahoma Nine Essential Elements, #7, #9*
Describe the process for creating and using a school profile. (360 of 2000 maximum characters used)

We use various data sources such as, OCCT data, ELQA, STAR Reading and Math, Unit Tests, attendance and discipline data, mastery connect, and teacher created assessments to assist us with developing our profile. We also used the Learner First Change team that meets monthly for 4 hours to set school wide goals to improve academic instruction for all students.

**Step 4: Identify Data Sources**
The planning team is responsible for gathering and organizing data related to the focus areas in the school profile. Quantitative and qualitative academic data (benchmarks, common formative assessments, progress monitoring), and non-academic data (student surveys, attendance, suspensions, graduation rates, etc.) should be used.

*Oklahoma Nine Essential Elements, #2, #4*
Describe school's available data sources. (87 of 2000 maximum characters used)

Star, Benchmark, AR, Teacher assessments, State Assessment, Parent input, Learner First

**Step 5: Analyze Data**
As the planning team analyzes the data, the gaps between the current status of the school and the established vision for reform should become more apparent. The strengths, weaknesses and need should become the basis for goals and strategies that should be developed in the written Schoolwide/School Improvement Plan. Results of the data analysis should be summarized and presented to all stakeholders.

*Oklahoma Nine Essential Elements, #2, #9*
Describe the process for collecting, analyzing and summarizing data. (149 of 2000 maximum characters used)

Data team meetings are used to discuss students and the progress being made. Resources are sought after via the school psy, counselor, administrator.

**Step 6: Schoolwide flexibility/Consolidation of Funds. [ESSA, Section 1114(b)(7)(B)]**
Schoolwide schools may use the flexibility available to them to coordinate and integrate services, or combine most federal, state and local funds to provide these services with the aim of upgrading the entire educational program and helping all students reach proficient and advanced levels of achievement. If implementing schoolwide flexibility, describe the activities and services the school implements when it coordinates federal, state and/or local funds. If
Implementing consolidation of funds, also describe how the intent and purpose of each consolidated program is met.

([count] of 5000 maximum characters used)
Reform Strategies - ESSA, Sec. 1114(b)(7)(A)(i)-(iii)

Reform strategies are instructional strategies that 1) provide opportunities for all children, including each of the subgroups of students to meet the challenging State academic standards; 2) strengthen the academic program in the school, increase the amount and quality of learning time, and help provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education; and 3) address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards.

Oklahoma Nine Essential Elements, #1, #2, #3, #8

Guiding Questions

Evidence-based Strategies
- What evidence-based strategies are being used in the classroom?
- Which instructional strategies should be utilized to meet the needs of the students?
- What data is collected to determine if instructional strategies are effective?
- How is the use of various instructional strategies monitored by the administration?
- Are daily objectives posted in the classroom using student friendly language?
- Have teachers been trained to support the core academics in their own subject matter?

Curriculum Alignment
- How is curriculum aligned with Oklahoma Academic Standards?
- Are students knowledgeable of Oklahoma Academic Standards?
- Have teachers created curriculum maps and/or pacing calendars?
- Do teachers collaborate in horizontal and vertical teams?

Extended Learning Time
- What extended day/year opportunities are available for students?
- What procedures are in place to encourage attendance of extended day/year opportunities?
- What procedures are in place to monitor student achievement in extended day/year programs?
- How do the extended day/year teachers collaborate with regular classroom teachers?
- What is being done to strengthen the core academic program at the school?

Assessment
- What benchmark assessments are used to monitor student achievement?
- How are the benchmark results used to drive instruction in the classroom?
- Have the schoolwide programs ensured that all students at the school have the opportunity to reach the state's satisfactory and proficient levels of learning?

Technology
- How has technology been utilized in the classroom?
- How has technology been effective in increasing engagement, motivation and achievement?
School Improvement - required for sites in designation
- Include how Project 515 funds will be used to support Reform Strategies, if applicable.
- What research-based curriculums will be used to support reading and math Oklahoma Academic Standards?
- What supplementary instructional materials will be utilized for student interventions/extensions?
Describe the reform strategies (1605 of 5000 maximum characters used)

Scientifically Based Research Strategies - All instructional strategies purchased or used at OKC are supported by Data based research that supports the most effective way to engage students. Curriculum Alignment - OKC provides teachers with the Oklahoma Academic Standards for all academic subject areas and levels. Teachers meet weekly to discuss the standards and what instruction standards will be presented next. Extended Learning Time - OKC provides after school tutoring in reading and math. Stipends will be paid to teachers, secretary, & site Administrator. Students are encouraged to attend Tutoring. Also intersession is available to students who need additional instruction. Assessments - Currently F&P is our District progress monitoring assessment. Teachers meet with the administrator to discuss achievement and next steps. Instructional Coaches will be purchased to assist classroom teachers with best instructional practices. Schoolwide leveled reading room will be used to assist in small group reading on levels Teaching Assistants (2) to support teachers and students and to monitor and support student academic and emotional achievements. 120 Chrome Books, Carts, and Smart Board accessories used to increase student engagement, motivation, and achievement. Cart-Storage for Chrome Books Head Phones to be used with the Chrome Books Myon Reading used to drive instruction in reading Lexia Core 5-Reading Program to strengthen students reading abilities. Parent Liaison for parent engagement and community engagement. Training for Parents to help support students academically.

Monitoring/Compliance Documentation
- Evidence that reform strategies are being implemented and effective including curriculum mapping documents, extended day/year data, and core curriculum assessment data.
LEAs will ensure that all teachers and paraprofessionals working in a program supported with funds under this part meet applicable State certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification.

Also, LEAs will ensure that high poverty or low performing schools are not staffed with disproportionately high numbers of teachers who are ineffective, inexperienced or out-of-field.

A qualified teacher must hold a minimum of bachelor’s degree; obtain full Oklahoma certification or an Oklahoma teaching license; and demonstrate subject matter competency in each of the academic subjects in which the teacher delivers instruction. Qualified paraprofessionals must have completed at least 2 years (48 credit hours) at an institution of higher education; obtained an associate or high degree; or completed the Oklahoma General Education Test (OGET) or the ParaPro or Work Keys Test and achieved a passing score.

Oklahoma Nine Essential Elements, #6

Guiding Questions
- Do all teachers and paraprofessionals at the school meet the qualification requirements in the State of Oklahoma?
- If not, what action plan has been developed to assist the teachers/paraprofessionals in reaching qualified status?
- Does the school offer incentives for advanced degrees and/or National Board certification?
- Have all parents been notified of their right to request information regarding the qualifications of the qualified teachers and paraprofessionals?
- Has a template been created for notifications to parents when students are taught by a non-qualified teacher for more than four (4) weeks?
- Have data charts been created to display qualified data including degrees earned and years of experience?

Describe the process for ensuring instruction is delivered by Qualified Teachers. (117 of 5000 maximum characters used)

All teachers are highly qualified to work in OKCPS - Parents are notified of teachers status regarding certification.

Monitoring/Compliance Documentation
- "Parents Right to Know" notification letter
- Sample parent notification regarding Highly Qualified status
- Data collection tools for HQT information
High quality professional development (PD) focuses on improving student achievement by elevating teacher, principal and other school personnel quality through evidence-based strategies. This professional development should be extended, as appropriate, to those who partner with teachers to support student achievement, such as principals, paraprofessionals and parents. PD activities are sustained (not stand-alone, 1-day, or short-term workshops), intensive, collaborative, job-embedded, data-driven, and classroom-focused activities designed to improve instruction and use of data from academic assessment.

**Oklahoma Nine Essential Elements, #6**

**Guiding Questions**
- Has a yearly professional development plan been developed? Were the teachers involved in the decision making?
- What data sources indicated the need for chosen professional development?
- Do all professional development opportunities align with the goals of the Schoolwide/School Improvement Plan?
- What procedures are in place to follow-up on each professional development activity?
- How is implementation of strategies learned in professional development monitored?
- How are teachers supported and encouraged when implementing strategies learned in professional development?
- Do teachers have individual professional development plans? Do administrators?
- How are the individual plans developed? Does data drive the professional development decisions?
- Are stipends and/or substitutes provided for teachers attending professional development?
- Are teachers encouraged to facilitate professional development?
- How has professional development affected instruction? Does the data support this?
- What sustaining efforts are in place to support new staff with previously learned professional growth?
- What focused area(s) of need will be addressed through professional development in the coming school year?
- How will staff be supported and encouraged when implementing strategies learned in professional development?

**School Improvement - required for sites in designation**
- Include how Project 515 funds will be used to support Professional Development, if applicable.
- What data sources indicated the need for chosen professional development?
- Do all professional development opportunities align with the goals of the Schoolwide/School Improvement Plan?
- How is implementation of strategies learned in professional development monitored?
- How are stipends and/or substitutes provided for teachers attending professional development?
- How has professional development affected instruction? Does the data support this?
- What focused area(s) of need will be addressed through professional development in the coming school year?

Based on the comprehensive needs assessment, describe the focus of the school's professional development plan. (526 of 5000 maximum characters used)

Teachers completed Professional Development throughout the year. District Professional Development: Educational Technology, Positive Behavior Intervention Support, Support Services, Trauma Training, Behavior Health Training. Lexia Training. Instructional Coach training: LLI PD training for grades K-3rd grade. District also provides Professional development opportunities for all staff throughout the school year. New teacher PD training was held in
Monitoring/Compliance Documentation
- agendas and attendance records of professional development
- documented monitoring and follow-up of professional development activities
- summaries of professional development
- site professional development plan
- individual professional development plans
- charts or graphs created to collect the professional development data
Teacher Recruitment/Retention - ESSA, Section 1114(b)(7)(A)(iv)

Employing qualified teachers in high poverty and low-performing schools is important for the sustainability of the schoolwide program. Therefore, the schoolwide/school improvement plan should describe the strategies it will use to recruit and retain effective teachers, particularly in high need subjects.

Oklahoma Nine Essential Elements, #8

Guiding Questions

Recruitment:
- Has a strategic recruitment plan been developed?
- What marketing strategies have been used to recruit teachers to the district?
- Have positions been posted on school and district Web sites?
- Has recruiting through local institutions of higher education been considered?
- Have local career fairs been promoted? Has the district participated as a vendor?
- Has the school partnered with a neighboring school district to recruit teachers?
- Have future teachers in the community been identified?
- How have teachers been encouraged to apply for positions within the district?

Retention:
- What is the process of new teacher orientation?
- How does an established mentoring program serve new teachers? Does it serve teachers for the first three (3) years?
- How does teacher collaboration support new and experienced teachers?
- How are teachers included in decision making, planning and resource allocation?
- How are teachers encouraged to obtain advanced degrees and/or additional certifications?
- How are teachers encouraged to become National Board Certified?
- What incentives are offered to teachers to work in high poverty, low-performing schools?

Describe the recruitment and retention plans. (118 of 5000 maximum characters used)

HR works to find highly qualified teachers for our sites. HR recruits teachers from around the State and out of State.

Monitoring/Compliance Documentation
- written plan for recruiting and retaining teachers
- evidence of recruiting efforts (i.e., job postings, career fairs information, marketing strategies)
- evidence of retention efforts (i.e., teacher mentoring programs, incentives, teacher collaboration)
Parent and Family Engagement - ESSA, Section 1116(a)(2)

Parent and Family Engagement is essential in creating schoolwide plans. Stakeholders should be viewed as academic partners who participate in student/teacher/parent conferences and are invited to participate in other school committees. It is essential that schoolwide/school improvement plan contain strategies to include parents in decision making, invite parents to participate in meetings and committees, and involve parents as academic partners.

Oklahoma Nine Essential Elements, #5

Guiding Questions
- Has a site Parent Involvement Policy and Parent-School Compact been created? (This must be site specific and different from the district policy.)
- How are the policy and compact distributed to the parents? Updated annually?
- How are parent involvement opportunities evaluated?
- How are parents surveyed regarding parental involvement activities?
- How are parents notified of parent involvement activities?
- What specific training or resources are available for parents on how to help their child academically?
- Has an online gradebook been developed? How are parents assured access?
- Have parents been informed of state standards?
- How often do teachers communicate with parents through phone calls, emails and mailings? How is this communication documented?
- How often are Parent-Teacher conferences scheduled? Are they held at accessible times?
- Has an annual Title I parent informational meeting been scheduled? How will parents be informed?
- How will parents be encouraged to become active learning partners in their student’s academic, social/emotional and behavioral development?

Describe the school's strategies for increasing parent and family engagement. (413 of 5000 maximum characters used)

MLK works very hard to connect with parents on a consistent basis. Every year we have an open house, meet the teacher night, Fall parent conference, Spring parent conference, Spring Literacy Night event, Health fair. These activities are intended to focus our community on our efforts to provide academic rigor for their children. It is also our way to remain connected with parents on the progress of their child.

Monitoring/Compliance Documentation
- copy of the "Notification to Parents of the Annual Parent Title I Informational Meeting"
- agenda and attendance list for the "Annual Parent Title I Informational Meeting"
- parent survey or other evaluation tool regarding parent involvement activities
- examples of site/parent communication
- copy of notification to parents regarding student achievement reports and test scores
- copy of notification of title I programs and opportunities

Please upload supporting information files. Allowable file types are Microsoft Word (.doc/.docx) and Adobe PDF. Files must be less than 2MB in size and the file name should not include special characters (i.e. #, $, % etc.). Attempting to upload a file that does not comply with these restrictions will result in errors and loss of unsaved data.
This component emphasizes the value of creating a coherent and seamless education program for all children in the school, but particularly for those at risk of not meeting the challenging State academic standards. Though the guidance only specifically addresses services to preschool children in the transition from early childhood programs to elementary programs, activities are encouraged at critical transition points at all grade levels to support students and parents with changes in curriculum, instruction and procedures.

**Oklahoma Nine Essential Elements, #4**

**Guiding Questions**
- What are critical transition points at the site (i.e., Pre-Kindergarten, Elementary to Intermediate, Intermediate to Middle)?
- How are counselors involved in the transition strategies?
- Have Parent Orientation Nights been developed?
- What procedures are in place for students to visit the next grade level, meet the teachers and learn new procedures?
- Have summer grade-level transition camps been held at the school site?
- Do staff members meet in vertical teams to compare curriculum and plan strategies to close gaps in achievement?
- How often do staff members meet vertically?
- How does the staff facilitate transition strategies?
- What procedures are in place to receive new students to the school?
- Have documents been created to identify transition points, grades affected and coordination efforts?
- How has professional development affected instruction? Does the data support this?

Describe the student transition strategies. (414 of 5000 maximum characters used)

North East Academy reaches out to our current 5th grade students to encourage enrollment in their program, KIPP academy also reaches out to our students in order to recruit for their program. During the Spring Conference teachers pass out information about Classen Advance Studies and other secondary schools students may consider transiting to. Classroom teacher make the split list for next grade level teachers.

**Monitoring/Compliance Documentation**
- copies of letters, flyers, and/or mailings notifying parents of transition activities
- attendance records of parent meetings regarding transitions
- evidence of vertical teaming among faculty (i.e. agendas, minutes, curriculum maps)
**Teacher Inclusion in Data Decisions**

Teachers need current and ongoing assessments such as observation, benchmarks, formative assessments and summative assessments that describe student achievement. In a schoolwide school, teachers should not only be involved in the assessment selection and creation process, but should be provided with professional development that increases their understanding of the assessment tools and how to use the results to improve instruction.

*Oklahoma Nine Essential Elements, #2, #7*

**Guiding Questions**

- Do teachers receive professional development on the multiple ways to disaggregate data?
- Do teachers receive professional development on how to change instruction to meet the needs of students identified by the data?
- Are these changes monitored and evaluated for improved student achievement?
- Have teachers been encouraged to hold regular data meetings analyzing student assessments and reviewing student work with other teachers?
- Are assessments regularly evaluated for effectiveness?
- Has a chart been created showing the types of assessments, the timeline of implementation and the intended purpose?
- Identify the formative and summative assessments that will be used to measure student growth towards proficiency of Oklahoma Academic standards.
- What steps will be taken to collect and analyze student data from formative/summative assessments?
- How will teachers apply student data to strengthen classroom instruction?

Describe school's process for including teachers in choosing assessments and collecting and analyzing data. (1294 of 5000 maximum characters used)

Teachers are provided professional development on how to collect, analyze, and disaggregate data. We use various data collection tools including data notebooks where students assessment data is uploaded. Teachers can use the assessments that are created by OKCPS or use self-created assessments. We also have quarterly data meetings where the data is presented by the academic leadership team to the whole staff, including a plan for next steps. We set individual goals for each student. Those students who do not respond to classroom instruction will be provided reading or math interventions. We have an RTI team made up of the principal, remedial specialist, classroom teacher, and special education teacher; student data is continuously discussed and goals are set. We collect data and meet every 6 - 8 weeks to track student growth. The students are put into small group instruction and invited to attend before/after school tutoring. After we put all these modifications in place, if the student still isn't responding to instruction, we will request for special education testing. MLK has an operational team, academic team, Hospitality team, Literacy night team, Incentive day committee. Teachers are welcome and encouraged to voice ideas and opinions in a professional manner.

**Monitoring/Compliance Documentation**

- copies of assessments used and evidence the assessments align to Oklahoma Academic Standards
- description of how assessment results are used to improve instruction
- copy of the site assessment calendar
Effective and timely evidence-based interventions should be provided to students who experience difficulty mastering the proficient or advanced levels of academic achievement standards.

*Oklahoma Nine Essential Elements, #3, #4*

**Guiding Questions**
- What are teachers doing to meet the learning needs of all students in the classroom?
- How will strategies such as Response to Intervention (RtI), Positive Behavior Interventions and Supports (PBIS), Differentiated Instruction (DI) or flexible grouping be used effectively in classroom(s)?
- What training have teachers received on individualized instruction and/or varied instructional strategies?
- How do students receive additional assistance during the school day?
- How are students identified for these programs?
- How are students monitored and evaluated for these interventions?
- How are extended day/year programs evaluated for effectiveness?
- What type of documentation is collected to ensure that timely interventions occur for students who are not achieving at a proficient level?
- What steps will be taken for identifying students for academic and behavioral interventions?
- How will the site determine appropriate instructional strategies?
- How will the site measure the effectiveness of behavioral and academic strategies that have been implemented? What changes are being made, if any?

**School Improvement - required for sites in designation**
- Include how Project 515 funds will be used to support Student Interventions, if applicable.
- What steps will be taken for identifying students for academic and behavioral interventions?
- How are students monitored and evaluated for these interventions?
- How will the site measure the effectiveness of behavioral and academic strategies that have been implemented? What changes are being made, if any?

Describe school’s academic and behavioral interventions. If applicable, describe 1) counseling, school-based mental health programs, specialized instructional support services, mentoring services, and other strategies to improve students skills outside the academic subject areas; 2) the implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act. (363 of 5000 maximum characters used)

Classroom teachers will provide all Response to Interventions for all classroom students. Small group literacy and math groups will be our focus for in school interventions, instructional coaches will be assigned to PK-2nd and 3-6th grade teachers. After school tutoring will be provided via the 515 budget plan along with lead mentor, math and literacy teachers.

**Monitoring/Compliance Documentation**
- written assessment and intervention plan
- evidence of monitoring and evaluation of students receiving additional assistance
- evidence that additional assistance supports curriculum and is aligned to Oklahoma Academic Standards
The application has been approved.

Consistency Check was run on: 9/28/2017
LEA Data Entry submitted the application for review on: 9/28/2017
LEA Administrator submitted the application to OSDE on: 9/29/2017
Program Review completed on: 10/13/2017
Final Review completed on: 10/15/2017
The application has been approved. No more updates will be saved for the application.

Requested Print Jobs will be processed on the hour, from 8:00AM to 8:00PM, Monday Friday. Once completed, a link to a PDF will display on the Right Side of the page under Completed Printed Jobs. Applicants may save this PDF to their local computer, and print as desired.

Completed Print Request links will remain on this page for 7 days. After that time, the document will be removed. If you would like to retain a copy beyond 7 days, please save the PDF to your local computer.
