Meeting Objectives

- To review implementation of the District and Site Gifted and Talented Plans for 2017-2018
- To compare and analyze gifted and talented identification data
- To make recommendations for improvements of plan, implementation, and current reality
- To set goals for the district and schools by end of the 2017-2018 school year

Agenda

I. Welcome and Introductions

II. Where We’ve Been - Implementation Review
   - Timeline Review
   - Plans and Site Champions
   - UCO Support for Training
   - Uncovering Gifted in Underrepresented Populations Training
   - Site Visits for Support

III. Current Reality - Gifted and Talented Identification Data Comparison and Analysis
   - Gifted and Talented Identification Data - Dr. Pat Elam
   - What do you see? What are you wondering? What concerns arise?
   - Equity Evaluation - Where are the obvious gaps? Root causes?

IV. Now What - Recommendations and Improvements
   - If OKCPS district gifted and talented plan was implemented with fidelity what would we see?
   - Identify areas of improvement - district-level and/or site-level

V. Finish Line - Set Goals for Remainder of the School Year
   - Based on identified areas of improvement, what goals should be set?
   - Create talking points for a future board update

VI. Next Meeting Date
