

OKCPS Calendar Committee Agenda  
9.28.16

1. Welcome
2. Review of Hybrid Calendar for 2017-1018 school year
3. Updates on Data Gathering
  - i. Impact on Students – Should we survey high school students? See addendum for other impact items identified.
  - ii. Impact on Parents – We will survey.
  - iii. Impact on Employees – All staff that reports after 7/15 would be required to miss one paycheck if the district goes back to the traditional calendar. We will survey the workforce.
  - iv. Utility Costs – A \$350,000 savings can be achieved by pushing the start date back 2 weeks in August.
  - v. Transportation Issues – Only 30 of the district’s fleet of buses are air conditioned due to the additional cost of A/C at approximately \$30,000/bus
  - vi. Maintenance Issues – Available time to do deep cleaning in the schools is limited in the summers due to the shortened summer break
  - vii. Community input –Need to determine how to gather input from the community.
    1. Metro Tech will be affected
    2. After school programs will be affected
  - viii. SNS –
    1. CEP can group the district as a whole and make the start date a non-issue.
    2. There are 17 sites that have no air conditioning in their kitchens.
  - ix. Early Childhood – No significant impact.
  - x. Athletics – The CLC poses issues with the 2 week fall break and spring break when other schools are in session and practices and games are ongoing.
  - xi. Others – What other groups are impacted?
4. Communication & Storage of Data – Communications to develop a website and lead a subset of the committee that will design surveys to begin the data gathering process.
5. Teacher & Support Staff Attendance Data -- Pending
6. Reminder of our Timeline
