Displaying Technical Names

1. While in Easy Access Menu, go to the "Extras" in the Blue menu bar.

127 Menu Edit Favorites E	Extras System Help		
S 1	Administration information	Ctrl+Shift+F8	
SAP Fasy Acces	Assign <u>u</u> sers		Г
SAT Lasy Acces	Display documentation	Shift+F6	⊢
🖪 🖪 💫 🖁 🖧 Other me	Technical details	Shift+F11	gn
	Settings	Shift+F9	
Y □ Favorites	Set start transaction	Shift+F7	

- 2. Choose "Settings".
- 3. Make sure the "Display Technical Names" is checked.

4. This will make the Transaction Codes show up on the menu as well as the transaction names. This is a typical list of some Human Capital Transactions with Technical Names:

PBAN - Ad Hoc Query
S_AHR_61016362 - Flexible Employed
S_PH9_46000223 - EEs Entered and L
PA20 - Display
PO13 - Maintain Position
PA30 - Maintain
