When entering in the dates for time approval, please make sure to go one to 2 pay periods back in order to approve leave that may have been entered in late.

1. In SAP select transaction CAPS or enter it here.

2. Complete the next screen with the information:

- Enter Organization Unit number
- Under Options, choose the "Display Released Data"
- Click the Execute button at the top(clock)

3. The next screen will look like the image below. In order to view/approve individual employees:
