

NEW TEACHERS

Spartans meet Mrs. Dew! She is a new SEHS teacher in the History Department. She says “I have been married to Ken, my husband, for 24 years. He is a manager at Homeland. We have two children my son Kenton, is Senior at Oklahoma Christian University. We also have a beautiful daughter named Sydney. She is Freshman at Oklahoma Christian University.”

In her spare time she likes to hang out with her kids and go for runs. Her favorite hobby would have to be going to the movies. Something to really know about her specifically is that she loves frogs! She continues by saying “I am very organized and procrastination is not on my list.”

She has taught in the OKCPS for 10 years - all of these at Webster Middle School. She previously taught for one year in Edmond and 3 ½ years at a private school. Including this year she has been teaching a total of 15 years. “Before teaching, I was a stay-at-home wife with my children until they went to kindergarten.” she said.

Hey Spartans, have you met Mr. Matt Nagle, the new teacher in the Science Department? He enjoys reading, basically a good mixture of everything. His family is known as either stern and business or goofy and playful. He says “Everyone agrees we’re loving and an intelligent family”! His parents have been married for 41 years and have lived in one house for 39 of those. He has a sister who is into politics and lives in Boston, Massachusetts.

“The first thing about me is that I am a dyed-in-the-wool Science Fan! I love each scientific connection. Another thing to know about me is that I am a very silly individual.” states Mr. Nagle. He has been teaching for 10 years, but have been involved with youth for 15 years. He has had a few different jobs before teaching. He says he has been a bouncer, worked in the oilfield, and also helped run a camp. Mr. Nagle ends by saying, “I guess you can say I enjoy to keeping myself busy. My favorite hobby is to creating book safes, but most of my time is consumed by work and other duties.”

CONGRATULATIONS

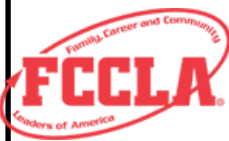

TO: Mr. Rajah Kennedy, Band Teacher for being voted SEHS’s Teacher of the Year for 2018/19.

TO: Tree Scholarship Winners: Suzeth Gallegos who was the top winner, receiving \$3,000 and a laptop; Ofelia Avila, who received \$1,500; Karime Rodriguez and Kathia Garcia who received \$1,000; and Arlette Melendez and Abigail Garcia who received \$500. Stop by the ‘Spartan in the News’ glass case and see their pictures.

OKCPS - 8th Grade Career Expo

Students from Mr. Stephens' video classes, from Mr. Johnson's manufacturing classes and Ms. Cloos' graphic design classes met with 8th graders from all the middle schools in the OKCPS District to show what Southeast High School had to offer. All the other high schools in the OKCPS District were also represented. This was a time for students to not only see what was offered at SEHS and other high schools, but to also visit with tech schools, colleges, and various businesses.

FCCLA District Competitive Events will be December 6th at Emmaus Baptist Church in Moore. Good luck team!!!!

The TSA students are preparing for the spring competitions (Various TSA competitions). The Robotics team is also preparing for the spring competition of Botball.

The BPA members are now selling Christmas/Holiday grams. The grams are \$1.00 for a card, chocolate, and a candy cane. All winter holidays will be recognized. All money earned will be used for expenses regarding state competitions that are held in March.

CONGRATULATIONS

TO: Arlette Mendoza for being named State Volleyball Honorable Mention.

TO: Carlos Hernandez for attending State in Cross Country.

KEY CLUB

SEHS's Key Club went to the Judicial Center and helped with the building's Halloween party at the end of October. Almost all of the building's employees brought their children to play Halloween games and to eat tons of candy.

SEHS's Key Club was also a main contributor in collecting cans for our own students so they would have food for Thanksgiving. The top contributor for donating 54 cans was **Senior Emanuel Torres**. The top Sophomore was **Christian Crescencio**; he donated 52 cans. The top 9th grader was **Kalie Callahan** who donated 21 cans. All first place students received a \$15, 7-11 gift card for gas. Second place Starbucks \$10 gift cards went to **Jorge Chapa**, Senior, who donated 49 cans and **Mariah Curley**, Freshman, who donated 15 cans. Christian was the only Sophomore who donated and No Juniors participated. But there was enough food donated to help 25 of our own so they could eat during Thanksgiving. Even though some cans were saved for the Winter Break food baskets, other teachers will be helping collect more food soon. Much thanks goes to The National Honor Society organization for donating the turkeys to the
