Community Childcare Partnership

Norman Public Schools, United Way, Community After School Program, The Cleveland County

Family YMCA, CCFI, and various other community partners are pooling their resources to provide childcare in the event of a district-wide school closure beginning April 2, 2018. Enrollment space is limited and is open to all NPS Elementary Students on a very LIMITED, first-come, first-served basis. We STRONGLY encourage all parents to utilize friends and family to care for each other's children cooperatively as we anticipate the need being greater than the care we will have available. The number of children we will be able to serve is largely dependent on the availability of volunteers.

Currently, plans are in place to provide for one week of care (more days may be added, if needed)*. All partners are currently donating their staff to provide care at no cost to our Norman families. However, we are requesting a donation of \$3/day per student from our families to help cover the cost of supplies & snack.

- WHEN: April 2-6, 2018, 7:30 am – 5:30 pm daily (assumes school will be out all week)
- WHO: Open to all NPS Elementary Students Grades K-5 (first-come, first-served basis by grade level)

Safe Places for Middle Schoolers

In addition to programming for elementary aged children, the Community Childcare Partnership recognizes the need for safe spaces for middle schoolers.
