## School Mission

Classen School of Advanced Studies High School at Northeast Mission is to ensure that all students learn at high levels to become high quality, academically prepared, global citizens.

## School Vision

Classen School of Advanced Studies is a unique institution that respects the public trust in the education of a diverse student population and is proactive in delivering a system that enhances student learning by offering capable students challenging work in the International Baccalaureate and the Visual and Performing Arts programs. It is our vision to develop healthy, creative, and innovative citizens, and ensure a successful transition for graduates by providing quality instructional programs that prepare our students for college, university or conservatory/fine arts institutions.

## Special Thanks from the Class of 2021

We would like to thank the teachers and administration for their tremendous support in helping create this graduation. This year, especially, graduation plans were extremely tedious as policies and rules changed each week. However, some important individuals were instrumental to our success. Our class sponsor, Ms. d'Andriole, was so patient and flexible throughout the process; and Mr. McAdoo and our school staff fought so hard for this event- a gift to seniors who have been through a rough final half of high school.

So on behalf of the Senior Class of 2021, and its Student Council, thank you students, parents, and staff for your hard work! We appreciate you so much and are grateful for your help in throwing this wonderful graduation!
