## With Respect and Gratitude

### Dear Class of 2020,

Throughout our journey called life, so far we have all gone through drastic changes. From entering a new school in 6th grade, from Mr. Chaffin going from giving us Lord of the Ring packets to Spanish packets, a school merge this year, and now this pandemic. Class of 2020, although we have been through so much individually and together as a class, these changes that we have had no control over have sparked personal growth in us. I love every single one of you and I wish nothing but the best for everyone. Now it is our time to go out and be the change in the world. Trust me they do not know what is coming for them.

Love,

*Michelle Taffe*  
Class President
