When you volunteer, you are giving something back to people and non-profit organizations in your area. Verifiable community service is great for resumes, job applications, college entrance applications, and scholarship opportunities. Use this document to keep track of your community service hours throughout high school. For each activity, a Community Service Record Form should be completed and attached.

Good community stewardship must be exhibited by students who desire to be considered for Valedictorian, Salutatorian, and/or Honnor Graduate (4.0 GPA or higher). By February 1st of a student's senior year, 100 hours of volunteer work within the community must be documented.
