

Vision

By providing equitable access to a world class education, every Oklahoma City Public Schools student will graduate ready to fulfill their unique purpose in a healthy, vibrant community.

Mission

Every day, Oklahoma City Public Schools will ignite a passion for learning in every child, invite families to engage, and inspire respectful and trusting relationships with our diverse community.

About OKCPS

Oklahoma City Public Schools (OKCPS) is a multi-cultural district serving approximately 45,000 students. Our students are educated throughout 33 neighborhood elementary schools, 13 middle schools, 9 high schools, 2 alternative schools and 9 charter schools located within 135.5 square miles in the center of Oklahoma.

We employ just over 4,600 administrators, teachers, and support personnel who serve a student population which is comprised of 2% Asian, 3% Native American, 14% Caucasian, 22% African American, and 54% Hispanic individuals.

Additionally, 18,000 of our students are bilingual and 13,000 are English Language Learners. Our students and their families represent many different languages; top two being English with 59% and Spanish with 39%.

OKCPS offers special education programs across the district to serve the 12% of our population with disabilities or special needs.

OKCPS is a CEP district which means every student eats free breakfast and lunch every day. We serve approximately 45,000 meals daily (including breakfast and lunch).

We transport an average of 12,000 students daily to and from school.

The Douglass Creed

I believe in Douglass High School and the things for which it stands: health in mind and body, service to others and to myself, social adjustment, economic security, and reverence for the spiritual. I believe in achievement and will continuously strive to accomplish what I set out to do. I believe in loyalty to our school and to its traditions. I pledge upon my honor to help in all its undertakings, in all that will make it a stronger and nobler school, and I promise to do all in my power to become a student to match its ideals.

Mission Statement

To increase academic achievement to a level that will prepare all students for success in college or career.

Class Motto

*"I would unite with anybody to do right and with nobody to do wrong."
—Frederick Douglass*
