

# Classen SAS Student Immunization Clinic

## Available immunizations:

- Tdap: required for enrollment into 7th grade
- HPV: highly recommended (2 dose series)
- Meningitis: highly recommended (1 dose now w/ a booster dose at or after age 16)

## Who pays for this service:

- We work directly w/ insurance providers for payment - there are NO co-pays, NO charges to the school district, and NO billing to parents.
- Privately insured students: Services are covered by the preventative care portion of their insurance plan. Be sure to bring your insurance information!
- SoonerCare/Uninsured: Passport Health Oklahoma is proud to be a Vaccines for Children (VFC) provider. Vaccines for Children is a state program that provides FREE vaccines to qualifying children.

# TUESDAY 5/7/19 (9:00-11:00 AM)
