Mark Twain Elementary will seek the involvement of parents on the school improvement plan through a parent representative and the annual Title I meeting. Notifications of parent representative will be made in the month of February for the planning process of the upcoming year. Parents will also be notified that input may also be made through e-mail or letters to the principal at any time throughout the year.

Assessment of students will also be discussed at this meeting, including the CRT and the district benchmark assessments which are used at regular intervals throughout the year to monitor and adjust instruction.
