## Remote / Virtual Learning Schedule for Traditional Learning

### Elementary | PK-4th Grade

Learn more: [www.okcps.org/RemoteLearning](http://www.okcps.org/RemoteLearning)

	Monday	Tuesday	Wednesday	Thursday	Friday
PK through 4th Grade	 <b>AT HOME</b> Half Day Synchronous with Teacher 	 <b>AT HOME</b>	 <b>AT HOME</b>	 <b>AT HOME</b>	 <b>AT HOME</b>
	 <b>AT HOME</b> Half Day Asynchronous 	 Remote Synchronous with Teacher	 Remote Synchronous with Teacher	 Remote Synchronous with Teacher	 Remote Synchronous with Teacher

### Types of Learning Days Each Week

**Remote Synchronous Learning:** Each Monday, elementary students will engage in learning at home using their device to login (via Google Meet) at a designated time. Teachers will see all students in a synchronous (live) remote setting and will provide direct instruction and guidance for the week's lessons. Tuesday - Friday will be remote synchronous (live) learning with a teacher. This will include a combination of whole group, small group, and individualized asynchronous learning opportunities.

**Remote Asynchronous Learning:** Each Monday, elementary students will engage in learning at home by accessing their Canvas and/or SeeSaw account. Activities and assignments are done independently during asynchronous scheduled times, and will be extensions or pre-work of lessons from synchronous (live) engagement days.
