Your monthly memo about SEMS Mental Health & Guidance!

Coming Soon!

Exciting news! Soon the SEMS Mental Health Team will have a place on our school website.

There you should be able to find information about each of us, our goals for 22-23, our monthly guidance topics, and links to several important resources.

Thank you Mr. Wiseman for all your help!

With Gratitude

Thank you to all teachers and staff that participated in Anti-Bullying Week! It was awesome to see all the Silly Socks and visits from students that completed their Kindness BINGO. :)

ICAP for 6th -8th Grade

For the 22-23 school year, our 6th through 8th grade students should complete 2 interest surveys and a goal sheet. This is done by logging on to the Kudor Oklahoma App in Clever.

Cynthia Walls has created ICAP modules for Canvas for each grade level. These are available in the Canvas Commons. Links to these courses and download instructions will be emailed to all Study Skills teachers.

We will meet with classrooms to get these ICAP modules started.

Monthly Guidance

Classrooms Guidance Lessons will be about Random Acts of Kindness! Lessons for 5th & 6th Grade will be taught in person and an online Canvas module will be created for 7th & 8th Grade. A schedule will be coming soon!
