VOLUNTEERS NEEDED! We are excited that our students have returned to class in an A/B schedule. As we adjust, our SNS staff are in need of extra hands as they currently provide in-school lunches, as well as curbside meals. Volunteers for this opportunity will help to hand out curbside meals each weekday from 9:30 am - 12:30 pm. We need about 75 volunteers a day! This volunteer opportunity will begin the first week of February.

Please go to <https://www.okcps.org/volunteers> to fill out a volunteer application.
