

The mission of the Academy of Entrepreneurial Studies is to build the capacity for philanthropy through teamwork, collaboration, problem solving and leadership with service learning focused on the Global Sustainable Development Goals to help students be career and college ready.

Hospitality students delivering bread baskets to our first responders at fire station #22.

## STUDENT OF THE WEEK

Each week a student is chosen from the Academy of Entrepreneurial Studies based on academic, leadership and entrepreneurial career and college skills. These students are awarded with a certificate and swag bag from full of cool items from our community partners.

Students taking notes and brainstorming during a session.

Mohamad Farzaneh, Co-Founder, Home Creations with Bev'Vonzzel Taylor

The middle school Biz Kids team attended the i2E Entrepreneurship Summit at Rose State. This event was a professional networking conference for entrepreneurs in Oklahoma. College students attended to learn strategies for their competition. Our team attended to learn more about business planning and to pitch their idea to real entrepreneurs so they could get critical feedback for their business and product design. Pictured below:

Scott Meacham, President and CEO, i2E, Inc. poses with the team. left to right Rachel Mia Tran, Kerrani Douglas, Aurora McVay, Isabella Osborne, Bev'Vonzzel Taylor and Bryson Gunn.

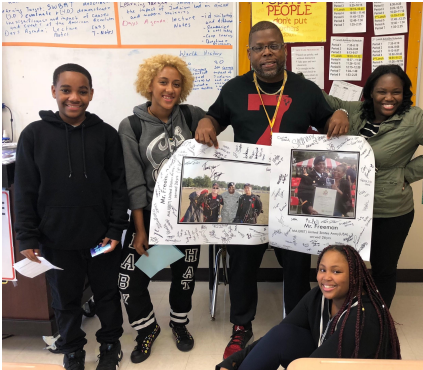

# ACADEMY OF ENTREPRENEURIAL STUDIES

# Hospitality Management

Students prepared fresh banana bread and food baskets to take to the Veterans Hospital and first responders.

On 9/11 Day of Service & Remembrance students recognized veterans at our school with thank you cards and posters signed by everyone.

# Health & Wellness

Students gathered & washed fresh produce for our school garden for families to take home during open house.

Students assembled the new Gazelle Glider received from Donors Choose as alternative seating to help cope with stress, anxiety and exercise to be healthier.

# Visual Arts Leadership

For the 9/11 Day of Service & Remembrance, Art students created beautiful posters for all the events. Hospitality & English students wrote letters and cards to veterans.

Our Centennial Dance company performed at the 9/11 Day of Service & Remembrance.

# Community Leadership

Students visited the Central Oklahoma Humane Society to deliver donations and spend quality time with the animal up for adoption.
