NORTHEAST ACADEMY FOR HEALTH SCIENCES AND ENGINEERING ENTERPRISE SCHOOL

“Enter to Learn, Go Forth to Serve”

MISSION: The Mission of Northeast Academy for Health Sciences and Engineering Enterprise School is to focus on teaching and learning that will assure all students are prepared for success in college.

Thank you for your interest in Northeast Academy for Health Sciences and Engineering. The Academy takes seriously its responsibilities as a specialty school within the Oklahoma City School District by providing a school with a strong academic curriculum in **Health Sciences, Engineering and College Now**. Our school offers not only a professional teaching staff, but also a full range of extra-curricular and athletic activities, and a safe and supportive environment. Northeast Academy has established partnerships with Oklahoma City Community College, Rose State College, University of Oklahoma Health Sciences Center, Metro Technology Centers, University of Oklahoma, and Langston University which allows us to successfully bridge student transitions into college and career fields.

We encourage you to visit our school and see why we are so proud of what we are doing. To arrange a visit, call 405-587-3300. Our Principal, along with the entire staff and student body of Northeast Academy would like to invite you to share in an educational journey second to none.

Please examine the application materials carefully. **All application materials and requested documents must be received by Northeast Academy. DO NOT FAX APPLICATIONS.**

We look forward to receiving your application. If you have questions, please do not hesitate to call and speak with our counselor or a school administrator.

Northeast Academy Students must maintain their eligibility through adhering to high standards of academic achievement, attendance, and conduct. Listed below are the requirements for maintaining eligibility. Please read these requirements carefully. Your signature indicates your acceptance of these requirements and your commitment to maintain the high standards of Northeast Academy for Health Sciences and Engineering Enterprise School. Each week an ineligible report will be generated. Students who are ineligible at the end of a semester grading period will be placed on probation for the following semester. Any students who have not corrected the deficiency by the end of the following semester will be withdrawn from NE Academy and returned to the student's home school.

Academics: NE Academy is a college preparatory school whose mission it is to provide a challenging, well-balanced, college-preparatory experience in the health sciences and engineering fields. Students must have no failing grades and must maintain a 2.5 GPA. Students who have a grade below a "C" average in any class and/or have received limited knowledge or unsatisfactory on any standardized test will be required to attend tutoring, intercession, Saturday school, and/or participate in other agreed upon remediation activities to improve their grade. Failure and/or refusal to attend may result in the student's return to their home school. Tutoring, intercession, Saturday school, and/or other agreed upon remediation activities will also be available to students in need of supplemental academic assistance.

Progress reports will be sent home every 4-½ weeks. Letter grades will be awarded that reflect the student's progress to date. Only semester grades are recorded on student transcripts.

Attendance: Students are expected to promptly attend each class daily. Students should arrive at school by 7:30 a.m. and must be off campus by 3:00 p.m. unless the student is with a teacher/coach/sponsor. Students who receive a "No Credit" grade in any class will be placed on probation for the following semester. No Credit grades are awarded when a student exceeds four unexcused absences in a particular course.

Discipline: Students are expected to comply with all guidelines as outlined in the Northeast Academy discipline Intervention Plan. School uniform violations will be handled through the discipline process. A due process hearing will be held for any student with repeated violations of the OCPS Code of Conduct.

Re-entering Students: Students who have been returned to their home school for academic, attendance, or discipline reasons must complete one full semester at the home school. They must earn a minimum 3.00 GPA, have no discipline referrals, and have no more than three unexcused absences. Students who complete these requirements can apply through the Principal for re-admission to NE Academy.

Students who maintain the high standards of Northeast Academy for Health Sciences and Engineering Enterprise School will be prepared for success in post-secondary education.

DESCRIPTION OF PROGRAMS

IT IS THE RESPONSIBILITY OF THE APPLICANT TO BE PRESENT FOR PLACEMENT TESTS.

Academy of Health Sciences (AOHS) Program: As ninth graders, students enter the AOHS with the clear expectation that they will enroll in mathematics, sciences, social studies, and English for each year of their high school years, foreign languages for three high school years. Health Science classes will include: Principles of the Biomedical Sciences, Human Body Systems, Medical Interventions and biomedical Innovation.

Students are also expected to pursue ACT college entrance requirements of a 19 Composite, 19 Reading and 19 English. Students have access to first class science and computer laboratories and libraries through the program. *Students must meet ACT college entrance requirements.

Academy of Engineering (AOE) Program: Through enrollment in our Gateway to Technology program and local business and higher education partnerships students will be exposed to opportunities to explore and gain knowledge about the various fields of engineering including Aerospace Engineering, Civil Engineering and Architecture, Biotechnical Engineering and others. Through enrollment in the Academy of Engineering Northeast Academy offers students a proven, researched-based curriculum in grades 9-12 through an activity-oriented program designed to help all students explore math, science, and technology while preparing them for undergraduate studies in the field of Engineering. Our “Academy of Engineering” is the only program of its type in the state of Oklahoma.

College Now (Concurrent Enrollment) Program: This program is approved by the State Department of Education allowing students the opportunity to earn college credits during their junior and senior year. Tuition is free to the student and paid for by the Oklahoma City Public Schools’. Students must take the ACT exam and earn a qualifying score (ACT Composite of 19 for Seniors and 21 for Juniors plus a 19 English and 19 Reading) for admittance into Oklahoma City Community College (or) Rose State College. Students will be required to meet the same expectations as traditional college students and will be graded accordingly. High academic achievement is necessary for success in the program.

Why Volunteer?

Parent volunteers play an important role to the success of your child and future career aspirations. When parents actively participate in their child's education they are more likely to be successful.

Parent Volunteer Hours

Parents are required to volunteer at least 15 hours per semester as a condition of admission, continued enrollment, and/or participation in the school's educational and academic activities. We encourage parents to continue their support by being an active participant in their child's education. We want to acknowledge those parents that continue to participate in school events, parent teacher conferences, attend PTSA meetings, volunteer their time at school, and other parent enrichment activities provided by the school to inform and encourage parents to be leaders in schools and in their communities.

Volunteer Opportunities

There are many volunteer opportunities during school hours, after school, or during the weekend. Volunteer opportunities will include helping out in the library, office, assisting with the athletic program, or chaperoning a dance. Volunteering and attending school events, PTSA general meetings and/or joining a committee are all ways to earn participation points.

Everyone who plans on volunteering needs to fill out the OKCPS Volunteer Application and Background Check. The application can be found at www.okcpsvolunteers.org. Also, you must show a photo ID at the front office each time you sign in.

NORTHEAST ACADEMY FOR HEALTH SCIENCES & ENGINEERING UNIFORM DRESS POLICY

The Parent Teacher Student Association and the administration of the Northeast Academy for Health Sciences and Engineering have adopted the policy that wearing a school uniform enables a student to focus their attention on academics and the learning process. A uniform dress code also supports a positive school climate without the distraction of form fitting, revealing clothing or colors related to gangs.

The Northeast Academy Uniform Dress Code, in conjunction with the OKC Public School Dress Code, applies to all students.

Uniform Pants, Walking Shorts or Skirts – Uniform pants, shorts and skirt colors are khaki, black or gray. Skirts, and shorts and splits in skirts shall not be higher than the tip of the finger. Pants are to be relaxed-fit. Capri's are permitted. No spandex, leather, knit fabric. No glitter, rhinestones, decorations, or other adornments on clothing. **NO ATHLETIC, SWEAT, JOGGING, or SKINNY PANTS. NO SAGGING PANTS. NO DENIM, EXCEPT ON DESIGNATED SPECIAL DAYS.**

Uniform Shirts – Uniform shirts may be polo style with collar or oxford button-down with collar (short or long sleeve), with or without brand emblem. Uniform shirt colors are solid white, maroon, gray or black. Revealing any part of mid-waist area or cleavage is unacceptable. Shirts must fit properly and not cling to the body.

Undergarment Shirts – Undergarment shirts or tanks must be white, maroon, gray or black.

Outerwear – Hooded sweatshirts without brand emblems or logos may be worn in the building. A uniform shirt or spirit shirt **must** be worn underneath hooded sweatshirts. Only solid color hooded sweatshirts, in school colors (white, maroon, gray or black) or official school spirit hooded sweatshirts may be worn.

Belts – Belts are optional.

Shoes – Flip-flops, thongs, soccer sandals, house shoes, or beach shoes are not permitted.

Head Gear – Absolutely NONE accepted in the building (male or female).

Jeans – Jeans may be worn every Friday, any color. They should be relaxed fit. Jeans should not show signs of distress (no holes, rips, etc.). Skinny jean style of pants is not permitted.

School Spirit Wear – School spirit wear may be worn every day. School spirit wear consists of school spirit tops, N.E. team uniform tops, class or club tops. Only authorized school spirit wear sold or provided by Northeast Academy organizations, in school colors, may be worn.

Uniforms MUST be worn while on school grounds. School spirit top and jeans may be allowed on school field trips. School administration reserves the right to address any uniform or dress code violations for non-compliance.

Revised on November 3, 2016.
