Parent Notes

WELCOME!

Welcome to the weekly newsletter for our Classen SAS family! Please also contact the PTSA to receive the "Blast" newsletter.

ECLIPSE

MANY students were checked out to view the eclipse with their family. It was very exciting to see so many students get the chance to view this today!

PARKING / DROP OFF / PICK UP

Classen has many new students starting school this year. Please be respectful of drop off and pick up areas for our students. In order to keep everyone safe, please do not drop off or pick up students by driving through a parking lot.

All student drop off and pick up should do so by driving from **North to South on Ellison**. Cars should pull up to the school, drop off students, and keep moving. Students enter the building through the **Auditorium doors**.

If students are driving, parking is behind the school and entry is through the **cafeteria side door**.

Students riding a bus, enter the doors near the **cafeteria**.

Drop off and Pick up should not block parked cars on the north and south ends of the building.

Classen SAS is situated in a neighborhood and landlocked. Our parking and drop off / pick up space is very tight. Please be patient during these times. We are grateful for every student that attends our wonderful school! It is important that these guidelines are followed to keep every student safe.

DRESS CODE

The school dress code is found on the school website, and below in this newsletter. Please make sure that your student is attending school in the appropriate attire. Last year, some parents came together to review the dress code and make suggestions for change. As of this time, those changes have not been approved by the district and the current dress code is in place. Every student at Classen SAS is on a special transfer to attend and is expected to obey the school rules.

Please watch for the information and plan to attend the main school fundraiser to support all programs. We will have a silent and live auction! If you are able to donate new items, vacation home times, unique gifts or other items, please contact the office at Classen! Table sponsorships are also available.

Last year raised over \$65,000 dollars that benefitted our school. One of our goals is to reach a 1:1 ratio of student : computer. We have many needs!

STUDY HALL

Wow! Study hall is a great success this year! We have more students signed up already than we had last year! It is a fantastic opportunity to do homework, study, seek help from teachers, eat breakfast, and prepare for the school day. If you haven't signed up, the cost is \$30 per semester. If there is a financial hardship, please contact the office.

ATTENDANCE

Attendance is very important. Please review the Student Handbook for more information. Students must be in class at least 88% of days in order to receive credit. (10 days of absences) Activity absences are restricted to 10 days as well. Please be aware of your student's absences.

SCHOOL GOALS

Last year, the goals listed below were some of our school goals. They remain goals this year, and others will be added soon.
