

2021 1st Quarter Report Teen Parent Program data

Who Are We:

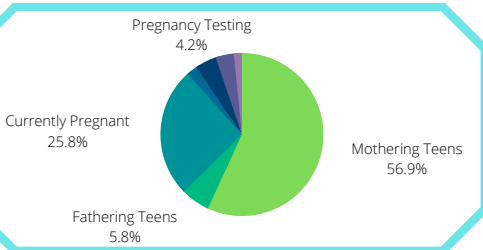

Teen Parent Program Coordinators provide support for pregnant and parenting students in all middle, high and alternative schools in the district. Also engaging and supporting teen fathers and soon-to-be fathers. We help these young parents navigate an array of topics from healthy communication with their parents, co-parenting, basic baby care, health needs of their baby, enrollment in parenting programs, academic advisement and addressing other needs.

During the Pandemic:

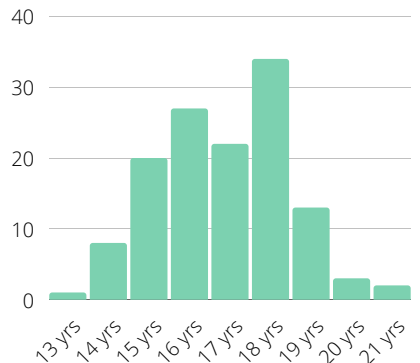

Teen Parent Coordinators (TPC) have been able to serve 125 students thus far.
